ABSOLUTELY PURE

DISTINCTIVELY A CREAM OF TARTAR BAKING POWDER

It does not contain an atom of phosphatic acid (which is the product of bones digested in sulphuric acid) or of alum (which is one-third sulphuric acid), unhealthy substances adopted for other baking powders because of their cheapness.

Complete Market Reports Corrected Each Day, Giving the Wholesale Prices of Commodities, Farm Produce and Vegetables.

Portland, April 19.

Front street now has a better supply of all the seasonable vegetables, fresh from the gardens, than at any other time this year, and with prices for the fresh products somewhat lower than those charged for the importations heretofore, sales are brisk. Beaverton, Camas, Salem and half a dozen other places near by are sending in great quantities of the finest asparagus, lettuce and other stuff yet seen on the market, and everything that comes in is in the pink of condition.
