FOR SERVICE AND CONVENIENCE

The prime essential of a business establishment is to have it open for the purposes of business when it is needed; not closed by custom nor any rule of hours. This essential attaches to the drug store of Dr. C. E. Linton at 185 Eleventh street, which is open every one of the 24 hours in the day; and with a stock that meets every requirement likely to arise in that time. It is one of the exceptions and is thoroughly endorsed.
