Just Received
The secret of making good pictures is in having the best materials to work with. Hart's drug store have just received a fresh supply of films and film-packs, so get in the game and do it right.

IT MAKES A DIFFERENCE.
It makes all the difference in the world to the convivial man where, and what, he drinks. Most men desire beauty and cleanliness, and handsome appointments in the saloon they patronize regularly, as well as the essential pre-requisite of genuine wines and liquors that are served to them. And these things are so particularly and properly conspicuous at Otto Sund's elegant resort, the Commercial, at No. 509 on the street of that name that they account thoroughly for the fixed and splendid custom he enjoys. There is nothing allowed to pass his counter but the best and choicest in every department of indulgence, and the service behind it all, is the most pleasing and satisfying in the city.

Billiard Fever—
The motion pictures at the Waldorf this week depict the antics of a man possessed of "Billiard Fever" and are presented under that heading. This series is quite interesting but not so good as the ones presented last week or those which are scheduled for next week.

FOR SERVICE AND CONVENIENCE

The prime essential of a business establishment is to have it open for the purposes of business when it is needed; not closed by custom nor any rule of hours. This essential attaches to the drug store of Dr. C. E. Linton at 185 Eleventh street, which is open every one of the 24 hours in the day; and with a stock that meets every requirement likely to arise in that time. It is one of the exceptions and is thoroughly endorsed.

The Liberty Bell Social Club will give another one of their dances Saturday evening, May 18th, at Logan's hall. Everybody is cordially invited. 5-15-4th

For The Little People.

Every parent in this city should investigate, at once, the new and appreciable shoe for the youngsters, at Charles V. Brown's Commercial street house. They are called the "E. C. Scuffer" and are the very epitome of good wear and real comfort. They

are going like wild-fire and the kids themselves are after them because they look so "comfy."

If a man knows anything of his own anatomy he must be aware that his stomach is a magnificent organ and entitled to the utmost consideration; knowing that he will eat at the Palace when he can conserve its safety and comfort, by eating only the best cooked, best served and most compensating meal in the city of Astoria. day, or night, it is always the same, and the Palace habit is one that pays to acquire. Arthur Smith is a master of the art of preparation and service, of all things edible.
