LADIES' AID SOCIETY HAS ICE CREAM SOCIAL—WARRENTON BASEBALL CLUB WON FROM SEASIDE AGAIN.

WARRENTON, Or., May 27.—The Ladies' Aid Society gave an ice cream social in Warren's Hall last Saturday evening. The hall was daintily decorated for the occasion and Chinese lanterns were used to light the building, in addition to the regular lamps. There were a large number of persons present, most of whom joined in the exercises introduced by the management. Everybody had a good time, and it is hoped the ladies will repeat their effort soon.

Another game was played between Seaside and Warrenton on Sunday and once more the latter team won, though not by so big a margin as on the previous visit to Seaside. Warrenton were first to the bat, and though the batters found the pitcher they were unable to secure a run. Strutt opened play for Seaside, he was unable to get next to Moovers' pitching, so he fanned out, as also did Clark, Miller and Williams, each got away to bases, Foreman however failed to make good, this concluding the first innings without either side securing a run. In Warrenton's second attempt they met with success, Heck was on second base when Moore hit a superb twobagger, and naturally Keek got home making the only score of that innings. Linbeger, Boyle and Harris each fanned out. Warrenton did not score in the third innings neither did Seaside. In the fourth McDermot registered number two, but Seaside were unable to secure a point. In the fifth, Ashley got put out at first base, Burton however reached there safely, stole second and third, then with an assist from Duff got home, Duff followed in similar fashions Carlson acting as his good samaritan. Seaside then went in but neither batsmen up reached first base. The visitors gained another point in the sixth innings though McDermot who got away with a fine twobagger. Still the home team were unable to score. Neither team gained a point in the seventh. On their eighth effort Warrenton fell short but their opponents made matters interesting. Nelson got a walk and Strutt made a twobase hit, Clarke with a strike, enabled Nelson to reach home, with Strutt immediately behind him. Thus the ninth innings began with the score five to two in favor of the visitors. Excitement at this stage was intense. Seaside decided to substitute Mead for Foreman. Duff was put out on first base; Carlson sent the ball to right-field, and reached his base. Dawson also found the new pitcher and made a single. McDonald followed suit, as Carlson came in home. Heck and Getty each made singles, Dawson secured the seventh point for his team, McDermot however, got put out while running to third. Moore went to the bat and obtained a double bagger and Heck and Getty scored two additional runs. Ashley got a single, putting Moore on third, then an assist from Burton, Moore scored the final run of the game. Warrenton, 10; Seaside, 2.

## FOR OUR READERS

To Prove That Hyomei Will Cure Catarrh, Every Reader of the Astorian Can Have Special Guarantee.

If there is any doubt in your mind as to the power of Hy-o-mei, the medicated air treatment, to cure all catarrhal troubles, the remarkable offer made by T. F. Laurin should expel that doubt. He gives his personal guarantee with every dollar outfit of Hy-o-mei he sells to refund the money unless it gives satisfaction. He takes all the risk of cure, and no reader of the Astorian can afford to suffer longer with catarrh when an offer like this is made.

With every Hy-o-mei outfit is a neat pocket inhaler, and My-o-mei breathed through this inhaler, reaches the most remote air-cells of the nose, throat and lungs, destroying all catarrhal germs, and soothing and healing the irritated mucous membrane.

Hy-o-mei really gives you a health-giving climate in your own home, so that when when you breathe its medicated air, your nose, throat and lungs will be filled with air-like that on the mountains high above the sea level, where grow balsamic trees and plants, which purify the air with their volatile antiseptic fragrances so healing to the respiratory organs.

You will notice relief and benefit from the first use of Hy-o-mei, and it will not take many days' treatment to convince you that in this remedy you have found a complete and lasting cure for all catarrhal troubles.

## IMMIGRATION OF JEWS.

Jacob Schiff Declares The Jew a Blessing Wherever He Settles.

NEW YORK, May 27.—Jacob H. Schiff, the principal speaker at the annual dinner of the Jewish Benevolent Society, B'nai B'rith, last night talked of turning the Jewish tide of immigration to the South and West.

Mr. Schiff said that an unordered immigration was coming to this country. "Such an immigration," he said, "is forced into the North Atlantic cities. The Jew should be and has been a blessing wherever he goes. We should take time by the forelock and while welcoming the Jew to this country we should

turn the tide of immigration from the North Atlantic cities.

"There is a great American hinterland in which there is not 10 per cent of Jewish population. This great territory should accommodate many of the Jews now unhappy in our North Atlantic towns.

"Lately a movement has been started for this purpose. We can render the country a great service by turning this immigration in the direction of Texas. I can see no greater work than to aid this cause, to make the immigrant welcome not in the crowded towns, but in this region.
