AMERICAN BAYREUTH

Nordica Will Establish Institution Near New York.

NORDICA FESTIVAL HOUSE

Great Prima Donna To Realize Life Ambition In Building An Institute Of Music For Young Men and Women Who Aspire To Operatic Honors.

NEW YORK, June 5.—Madame Lillian Nordica, the Herald announces today, will establish on the Hudson, near New York, a bayreuth in America. With a part of her great fortune the noted singer will erect the Lillian Nordica Festival House, which will be to this country what the famous operatic institution founded by Richard Wagner and now maintained by his widow, is to Europe.

The site for the institution was purchased yesterday for \$100,000 and Mme. Nordica expects that the opera house will be ready for its formal dedication one year from next summer.

An American institution of music, where America's young men and women who aspire to operatic honors will be taught by the foremost teachers in the world is included in the plans of the famous singer. In a statement in which she announced her plans, Mme. Nordica said: "Call my subject philanthropic or what you may, but the idea of founding here in my own country an American bayreuth has been my life's ambition. All the years I have been singing I have dreamed of such an institution. Now I am able financially to start this great project, which I know will be an institution which after I am dead will continue and grow and enlighten the people of this country who are now awakening to the benefits to be derived from a musical education. Such as was not dreamed of ten years ago.

"In this plan of mine, I am assured of the hearty co-operation of men and women of all classes. In later years of my life I have time to give to this great institution grow until it can have no rival.

"The buildings that will be a part of the American institute of music alone will cover four acres. They will be erected close to the Lillian Nordica festival house. In connection with the institute there will be dormitories and the students at little expense will be able to live while pursuing their musical studies.

"Europe will contribute teachers and they will be paid for their services more than they can hope to earn abroad."

"The Lillian Nordica Festival Home will be in every way a reproduction of the one erected by Richard Wagner. The Wagner operas will be given there in the summer with the greatest artists in the world."

KIRWIN GOES TO BOISE.

Claims He Was Illegally Summoned, But Goes.

DENVER, June 5.—Although he maintains that he was illegally summoned, James Kirwin, acting secretary of the Western Federation of Miners left last night for Boise, Idaho, to appear in the Haywood trial as a witness for the prosecution. The summons instructed Mr. Kirwin to be in attendance on the trial Thursday. Mr. Kirwin was served with a subpoena while on his way home from Boise a short time ago, a constable awakening him in a sleeping car after the train had crossed the Utah state line. This fact invalidated the process, Kirwin claims.

APPROPRIATION REFUSED.

Parliamentary Committee of Italy Refuses War Office.

ROME, June 5.—The refusal of a parliamentary committee to recommend the appropriation of \$40,000,000 asked for by the war office, is considered significant.

The committee recommend a grant of only \$6,000,000. As the money was required for artillery the committee's action is considered to amount practically a reduction of armament after The Hague conference.

A man who is in perfect health, so he can do an honest day's work when necessary, has much for which he should be thankful. Mr. L. C. Hodgers, of Branchton, Pa., writes that he was not only unable to work, but he couldn't stoop over to tie his own shoes. Six bottles of Foley's Kidney Cure made a new man of him. He says, "Success to Foley's Kidney Cure." T. F. Laurin, Owl Drug Store.

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing, therefore we wish to call the attention of all who would enjoy good health, with its blessings, to the fact that it involves the question of right living with all the term implies. With proper knowledge of what is best each hour of recreation, of enjoyment, of contemplation and of effort may be made to contribute to that end and the use of medicines dispensed with generally to great advantage, but as in many instances a simple, wholesome remedy may be invaluable if taken at the proper time, the California Fig Syrup Co. feels that it is alike important to present truthfully the subject and to supply the one perfect laxative remedy which has won the approval of physicians and the world-wide acceptance of the Well-Informed because of the excellence of the combination, known to all, and the original method of manufacture, which is known to the California Fig Syrup Co. only.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent of family laxatives, and as its pure laxative principles, obtained from Senna, are well known to physicians and the Well-Informed of the world to be the best of natural laxatives, we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of Syrup of Figs—and to get its beneficial effects always note, when purchasing, the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package, whether you simply call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna—as—Syrup of Figs and Elixir of Senna—is the one laxative remedy manufactured by the California Fig Syrup Co. and the same heretofore known by the name—Syrup of Figs—which has given satisfaction to millions. The genuine is for sale by all leading druggists throughout the United States in original packages of one size only, the regular price of which is fifty cents per bottle.

Every bottle is sold under the general guarantee of the Company, filed with the Secretary of Agriculture, at Washington, D. C., that the remedy is not adulterated or misbranded within the meaning of the Food and Drugs Act, June 30th, 1906.

SAN FRANCISCO, June 5.—United States District Attorney R. T. Devlin yesterday examined two more Japanese regarding the trouble that led to the wrecking of a restaurant on Folsom street. Unless more testimony is offered today Devlin will at once send to Washington his report regarding the matter.
