### COUNTY COURT HOLDS LONG SESSION

THE BUSINESS TRANSACTED IS NEARLY ALL IN CONNECTION WITH COUNTY ROADS AND LETTING CONTRACTS.

At the meeting of the county court yesterday there were present Judge C. J. Trenchard and William Larson. The business accomplished was mostly in connection with county roads and the letting of contracts.

The court said was invoked in opening county road No. 110 by Otto Johansen, M. Matsen and C. V. Brown. The county decided to expend \$500 on this and also to supply the powder necessary. The application of Messrs. Finlayson and Palmberg for a return of the amount paid at the tax sale of the NE. 1-4 of the NE. 1-4 of section 13, township 7 north, range 7 west, was read and denied.

A warrant was ordered to be drawn in favor of Howard Lewis in the sum of \$2.65. This was through an error in the assessment roll.

The following bids were received for county road No. 99: F. L. Pope, \$2.95 per rod; Gus Gronnell, \$3.45 per rod; Matt E. Kampi, \$1200 per mile; Alex Normand, \$2.50 per rod, and J. R. Wherry, \$840 per mile. The contract was awarded to Alex Normand for 1 1/2 miles. He is to give a bond in \$400 to be approved by the judge. The district attorney will be instructed to draw the contract which the judge and clerk will sign, and it is provided that the work shall be completed by October 1.

Bids were also received for the extension of city road No. 77 from E. A. Gerding, \$9750, to grade and gravel; from W. Gorlan, \$5500 to grade only and from the Hickard Grading Co., amount not stated.

For road No. 100 no bids were received.

In the matter of a bronze seal for the courthouse the action of the judge and the clerk was approved. The appointment of E. G. Gearhart as deputy clerk was also approved.

A contract was let to Mr. Duneson to build a bridge and make two fills on the Elk Creek road, as decided to be necessary, by the county court on their late visit there, for \$230. Duncan's bond was fixed at \$100 to be approved by the judge.

It appeared that Mrs. A. T. Webb had paid taxes twice on the same property, amounting to \$16.70 according to the sheriff's report. It was ordered that a warrant be drawn for that amount.

The report of the roadmaster was received and the report of Supervisor Welch was read and filed. The report of A. Jurks, supervisor, on part of the road from Lewis and Clark to Clatsop City was read and filed for future reference. The petition of Henry A. Salger praying for the cancellation of the tax for 1906 was read and upon examination the same being found to be in error, it was ordered cancelled. In the matter of the application of Hoane and Lewis to cross the county road with a logging road, the application was granted upon them giving a general indemnity bond.

### PORT OF COLUMBIA DEFENDANTS

AT SUIT OF S. FARRELL WHO SEEKS INJUNCTION AGAINST ISSUING BONDS OR LEVYING TAXES.

Sylvester Farrell of Portland is about to bring suit against the Port of Columbia and the Board of Commissioners, A. E. Inman, Samuel Elmore, Andrew C. Smith, John C. Ainsworth, and W. D. Plue. In his complaint he alleges the unconstitutionality of the bill and seeks an injunction to prevent the board from issuing the proposed bonds or levying taxes. In making the issue of bonds the board proposed at the same time to levy a tax of 1-40 of one per cent of the assessed value on all the taxable property in Multnomah, Clatsop and Columbia counties as set forth in the resolution passed on the 25th day of May, 1907, at the board's first meeting. In his complaint the plaintiff alleges that not only is this ultra vires, but also that the board itself is unconstitutional. And in support of these allegations he cites section 32 of article 1 of the constitution of the State of Oregon and section 2 of article XL of the same constitution. Section 32 of article 1 provides that "No tax or duty shall be imposed without the consent of the people or their representatives in the legislative assembly; and all taxation shall be equal and uniform." Section 2 of article XL provides that "Corporations may be formed under general laws, but shall not be created by the legislative assembly by special laws. The legislative assembly shall not enact, amend, or repeal any charter or act of incorporation for any municipality, city, or town. The legal voters of

every city or town are hereby granted power to enact and amend their municipal charter, subject to the constitution and the criminal laws of the State of Oregon." Upon these facts the plaintiff seeks a perpetual injunction to restrain the board from issuing the bonds or levying the tax "and from further or in any manner or at all carrying out or attempting to carry out the provisions of the said pretended act of the legislature assembly."

### IT MAKES A DIFFERENCE.

It makes all the difference in the world to the convivial man where, and what, he drinks. Most men desire beauty and cleanliness, and handsome appointments in the saloon they patronize regularly, as well as the essential pre-requisite of genuine wines and liquors that are served to them. And these things are so particularly and properly conspicuous at Otto Sund's elegant resort, the Commercial, at No. 509 on the street of that name that they account thoroughly for the fixed and splendid custom he enjoys. There is nothing allowed to pass his counter but the best and choicest in every department of indulgence, and the service behind it all, is the most pleasing and satisfying in the city.
