BOISE CASE QUIET

Prosecution is Corroborating Orchard's Confession.

VERDICT NOT BEFORE AUGUST

State Expects To Close Its Case In Ten Days—Defense Say It Will Take Four Weeks To Present Their Case—Verdict May Not Be Reached Till August

BOISE, June 14.—Additional evidence bearing on the story told by Harry Orchard of his attempts to kill Fred Bradley of San Francisco will be introduced by the state today.

In the course of his cross-examination Orchard said he had received a registered letter containing \$100 from Pattibone. One of the witnesses to be called today is the registry clerk and it is possible that the tracing of the letter will be a strong piece of evidence.

The case of Harry Orchard, charged with the murder of Frank Steenberg, will be called in Caldwell and will be postponed until the next term.

onor appeared to be in better spirits than he has been for many months. He showed not the slightest evidence of fatigue or nervousness and ate a hearty meal, after he reached the penitentiary.

"It would be superfluous for me to reiterate," he said today. "that Orchard has told the literal truth about the confession and the way it was given to me. I made him no promises, I never made a promise to a criminal in my life. Orchard first confessed to me but said he was not quite ready to give it to me finally.

"I promised to hold it for some time and I did so. He told me that when I was ready to tell the whole story he would let me know and some time later he began and told me the incidents of his life, leaving out nothing. Every word that he has said on the stand as to the confession is the truth and there is nothing to add."

The state expects to close its case in ten days or two weeks. Clarence Darrow for the defense says that their case will take about four weeks, then it is possible it may be concluded in less. It is generally conceded, however, that the verdict will not be reached before August 1.

CAN'T BE SEPARATED.

Some Astoria People Have Learned How To Get Rid of Both Backache and kidney ache are twin brothers.

You can't separate them. And you can't get rid of the backache until you cure the kidney ache.

Doan's Kidney Pills make strong, healthy kidneys.

Jacob Morelock, farmer, living on Rural avenue, between Hazel and Laurel streets, Salem, Oregon, says: "What I said about Doan's Kidney Pills three years ago after having used them for kidney complaint and backache which had troubled me for some time, was only the plain truth. I procured them and they acted up to the representations made for them and before I had used a whole box I found great relief. In a short time the action of the kidney secretions was corrected and the pain and aching was removed from my back. I cheerfully recommend Doan's Kidney Pills to anyone troubled with backache or kidney complaint."

Plenty more proof like this from Astoria people. Call at Charles Rogers' drug store and ask what his customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

PUBLIC LANDS CONVENTION.

Senator Carter, of Montana, Strongest Candidate For Permanent Chairman.

DENVER, June 14.—It is expected a warm fight will develop in the public lands convention next week over the selection of a permanent chairman. There are four announced candidates in the field: Senator Thomas Carter, of Montana; Dr. J. N. Wilson of Wyoming; Lieutenant-Governor Harper and Frank C. Goudy, the two last from Colorado. Senator Carter appears to be the strongest in the race and the consensus of opinion is that he will be chosen.

A man who is in perfect health, so he can do an honest day's work when necessary, has much for which he should be thankful. Mr. L. C. Hodgers, of Branchton, Pa., writes that he was not only unable to work, but he couldn't stoop over to tie his own shoes. Six bottles of Foley's Kidney Cure made a new man of him. He says, "Success to Foley's Kidney Cure." T. F. Laurin, Owl Drug Store.
