A YOUNG WOMAN IN THE CASE

Trusty Escapes From County Jail After
Appropriating Revolver and Ammunition
From Sheriff's Office—Was Surprised
and Captured Shortly After.

SAN BERNARDINO, June 21.—In accordance with the appointment previously made with a young woman, Bert Taylor, a trusty at the county jail yesterday ordered a horse and buggy by telephone, appropriated a revolver and ammunition from the sheriff's office and drove to a side street where he met his companion. Abandoning the rig in the foothills, a short time ahead of a posse, which immediately began scouring the country, Taylor was finally surprised and captured before he could make any resistance.

Taylor, who was serving a term for forgery, is a former resident of Denver, as is the woman who was arrested and served a brief term on the same charge.

RAILROADS IN COURT.

CARSON, Nev., June 21.—Suit was brought in the United States District Court by the Southern Pacific, San Pedro, Los Angeles & Salt and the Nevada, California & Oregon Railways asking that the state railroad commission and state officers be enjoined from putting into effect the rates named in the Syphs bill passed by the last legislature. The complaint alleges that the law is unconstitutional and is an invasion of the rights of the judiciary. It further charges that the rates in the charges prescribed are unjust, unremunerative and impracticable.

PROVE IT ANYTIME.

By the Evidence of Astoria People.

The daily evidence citizens right here at home supply is proof sufficient to satisfy the greatest skeptic. No better proof can be had. Here is a case. Read it:

Mrs. Helen Lewis, of 52 Astor street, Astoria, Ore., says: "Doan's Ointment proved its healing qualities several years ago when I used it and told in a published statement the great relief and cure I obtained from it. I used it for a breaking out around my mouth and lips which had troubled me for a number of years, despite all I could do to get rid of it. My lips would crack and become sore when cold weather set in, and this lasted until it got warm again. I was finally induced to try Doan's Ointment, procuring it at Charles Rogers' drug store. In a short time after beginning to apply it I was cured of the annoyance, and have been entirely free from it since."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

GET THE FOUNTAIN OF YOUTH.

Good Blood Serum is the Fountain of
Perpetual Youth.

The average American of today is living off his or her nerves to a tremendous extent; the pace of business, social and professional life is so swift and exciting that few can stand against the demand and retain normal balance at all, and any scheme of human endeavor or interest that shall reduce the strain, must be welcomed as a direct and palpable benefit.—Astoria (Ore.), Astorian.

The increase in murder, suicide, and insanity, all due to loss of nerve control, is such a large per cent that carried on at present rates, there will not be a sane person left in the United States in the year 1950! If the present rate of increase in the number of prostitutes and other unchaste women continues for only 40 more years, in 1950 there will not be a chaste woman left among us. If the rate of divorce continues increasing as it has increased since 1880, the number of divorced people living in 1940 will then far exceed the number of undivorced married people then living. The death rate will exceed the birth rate before 1940 if present ideas of women about child-bearing spread at the rate they are now spreading. Now, 80 per cent of women know how to prevent impregnation and are willing to do it. Of our grandmothers (in 1807) not 10 per cent knew how to prevent conception and not 1 per cent dared try to do so.

There has been for 50 years a constantly decreased proportion of serum in the blood of the people. If there is a proper proportion, the nerves are all oiled thereby, so well that one can never be nervous! The whole solution will come, when it comes, in conserving and increasing the quality and quantity of blood-serum.

GREAT AUTO GATHERING.

NEW YORK, June 21.—Excepting only at the Vanderbilt cup race the gathering of automobiles at the Sheepshead Bay course on Suburban day was the greatest ever seen on this side of the Atlantic. As an outdoor show of motor vehicles it was the best on record. By actual count 740 cars were parked in the green back of the grandstands, just about doubling the last previous record at a Metropolitan race track.

Man Zan Pile Remedy comes put up in a collapsible tube with a nozzle. Easy to apply right where the soreness and inflammation exists. It relieves at once blind bleeding, itching or protruding piles. Guaranteed. Sold by Frank Hart's Drug Store.
