**ELECTRICAL WORKS  
ROBBED**

THE RELIANCE ELECTRICAL COM-  
PANY'S STORE BROKEN INTO—  
\$15.30 STOLEN; \$40 IN GOLD OVER-  
LOOKED BY THE ROBBER.

Early yesterday morning the store of  
the Reliance Electrical Company owned  
by Henry and William Cyrus, on Bond  
street, was broken into and \$15.30 in  
cash was taken from the till. The robber  
or robbers gained admission to the  
premises by forcing open the front door.  
The office was then entered and the  
cash drawer broken open. A pair of  
scissors were first used and these hav-  
ing proved ineffectual a small fire was  
requisioned and the lock of the drawer  
yielded. Two \$5 gold pieces and \$5.30  
in cash lying in the front part of the

drawer were abstracted, but two \$20  
gold pieces hidden by the petty cash  
book in the back of the drawer were  
overlooked. The thief then made good  
his escape by the back door leading out  
on the alley in the rear of the premises.  
No clue has at present been found as to  
to the identity of the robber.

**A BODY RECOVERED  
FROM RIVER**

HERBERT MORGAN'S BODY WAS  
FOUND FLOATING NEAR THE  
CLATSOP MILL YESTERDAY  
WHERE HE FELL IN.

Yesterday morning early some fisher-  
men found the body of a man floating  
in the river near the depot wharf. It  
was towed down to the Lurline dock  
and the coroner was notified and im-  
mediately took charge. The body was  
very soon identified as that of Herbert  
Morgan, a sailor, who had been dis-  
charged from the schooner Fred E. Sand-  
ers which was loading at the Clatsop  
Mill. Morgan was a man of intemper-  
ate habits and had been locked up in  
the city jail on account of this fault.  
He appears to have been intoxicated  
again and in that condition to have  
walked or fallen off the wharf and  
there was no help for him. Herbert  
Morgan was a native of Wales and un-  
married. He has latterly made San  
Francisco his home. The Rev. Ellefson  
will officiate at the funeral service which  
will be held at Pohl's parlors at 1 o'clock  
today, the interment taking place sub-  
sequently in Greenwood Cemetery.

**The Waldorf Theater.**

The program which Manager Wise  
has prepared for his patrons this week  
is way and above anything that has  
ever been seen in Astoria for the un-  
heard of price of 10 cents. The bill in-  
cludes almost any kind of an act that  
a theater-goer could wish for, all in  
one performance, Miss Virginia Hayden  
and her magnificent baritone voice  
causes her listeners to wonder where  
all the melody comes from, nothing of  
the sort has ever been witnessed in  
Astoria and Manager Wise can consider  
himself very fortunate to secure one of  
the few female baritones in the coun-  
try. She is ably seconded by Miss  
Helen Bushnell and Miss Alexandria  
Marakoff, the Russian balladist. The  
two teams, Deming and Brogan, and  
Norwood and Norwood, each team does  
a different stunt and they are both good.

The bites and stings of insects, sun-  
burn, cuts, burns and bruises relieved  
at once with Pinesalve Carbollized. Acts  
like a poultice. Draws out inflamma-  
tion. Try it. Price 25c. Sold by Frank  
Hart's Drug Store.

Panama hats cleaned and blocked.  
Leave them with Dell Skully.

If a man knows anything of his own  
anatomy he must be aware that his  
stomach is a magnificent organ and  
entitled to the utmost consideration;  
knowing that he will eat at the Palace  
when he can conserve its safety and  
comfort, by eating only the best  
cooked, best served and most compen-  
sating meal in the city of Astoria,  
day, or night, it is always the same,  
and the Palace habit is one that pays  
to acquire. Arthur Smith is a mas-  
ter of the art of preparation and ser-  
vice, of all things edible.
