The Doctor Away From Home When Most Needed.

People are often very much disappointed to find that their family phy sician is away from home when the most need his services. Diseases like cramp colic and cholera morbus require prompt treatment, and have in many instances proven fatal before medicine could be procured or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic, Cholera and Diarrhoen Remedy. No physician can prescribe a better midicine for these diseases. By having it in the bouse you escape much pain and suffering and all risk. Buy it now; it may save life. For sale by Frank Hart and leading druggists.
