Fight Still On Between Commission Men ant Packers.

CHICAGO, July 9.-Flat and unanimous refusal of terms of peace by the commission men in Chicago yesterday tore wide open agin the breach between the packers and the representatives of the cattle raisers here.

In Chosing Your Piano Dealer

you would, if careful, ask the following questions and demand

satisfactory answers to each one before paying out money. "Ask

them all of Eilers Piano House." Reading this advertisement, calling at our nearest store to see our instruments, and thinking

(1) What kind of piano do they sell? Would you ask for a finer

piano than a Weber, Kimball, Chickering, Haddarf, Lester, Hazle-

ton, etc., or would you think of putting less into a piano than you

can get (of us) a durable good Baily, Clarendon, Marshall & Wen-

(2) Are they high priced with their pianos? Do you suppose

that, with four thousand pianos due to arrive, at our thirty stores

from forty different factories, by the end of this year, we can

afford to hold out for even usual prices? No. We have to sell,

'em at low prices to do it on time. You are safe on price here.

(3) If I don't pay cash how will I be treated? The fact that

most of our sales are made on the "part-down-and-rest-later" basis

proves it is popular and economical, and our rapidly growing trade

proves that we do it on a fair and just plan. Our sales now total

to a volume four times that of our nearest competitor, which ena-

bles us to do a little more on terms (along with our lower prices)
