DO NOTHING AT THE HAGUE

Editor Stead of Review of Reviews Scores Them in Sharp Language—British Lay on Wet Blanket.

LONDON, July 29.—W. T. Stead, editor of the Review of Reviews who has been conducting a publication at the Hague devoted to the peace conference matters, when interviewed today on the progress of the peace conference, delivered a serious indictment against the British delegates. He said:

"Until last Saturday, which under the pressure of angry protests the British government instructed its delegates to make a belated declaration of adhesion to the American plan of obligatory arbitration, the British delegation had done nothing for peace; nothing for arbitration, nothing, in short, for anything the British people believed they had been sent to The Hague to do.

Their action and still more their inaction has aroused the amazement of all of the friends of peace. I do not exaggerate in the least when I say that as far as every principle the British government is supposed to have at heart is concerned, it would have been far better to have had no delegates at all than the men who have shown skepticism where they ought to have shown enthusiasm, who have repelled where they ought to have attracted; who have been a wet blanket upon every aspiration of the peace crusaders, and who have succeeded in utterly destroying England's reputation as the leader of the peace loving nations of the world. As members of the conference striving for peace I believe they are about the most incompetent set of beings that ever achieved an unmitigated failure."

Continuing Mr. Stead said: "Great Britain having abdicated her traditional position, the leadership has fallen into the hands of Germany and the United States and we have taught the Americans that the Germans are warmer friends and stouter allies than the British."

TRIES TO KILL PRESIDENT.

Guatemalan Government Can Not Expel American.

GUATEMALA CITY, July 29.—An American named Wilkinson who was among those arrested for the recent attempt on the life of President Cabrera, but who was released after proving his innocence and departed from the country, returned two weeks ago, following an absence of two months. Shortly after his return, Wilkinson was summoned to the foreign office and was ordered to leave the republic. He made a statement to the American consul general demanding that the Guatemalan government recall the order, for according to the law, foreigners cannot be expelled without due progress if they have resided here for seven years.

Wilkinson has been engaged in building railroads in Guatemala for the past ten years.

G. B. Burhans testifies After Four Years. G. B. Burhans, of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble." T. F. Laurin, Owl Drug Store.

THE HAGUE CONFERENCE.

THE HAGUE, July 29.—The peace commission today discussed the collection of public and private debts and voted for the American proposition providing "Some limitations in use to force the collection of contractual public and ordinary debts."

The Charming Woman is not necessarily one of perfect form and features. Many a plain woman who could never serve as an artist's model, possesses those rare qualities that all the world admires: neatness, clear eyes, clear smooth skin and that sprightliness of step and action that accompany good health. A physically weak woman is never attractive, not even to herself. Electric Bitters restore weak women, give strong nerves, bright eyes, smooth, velvety skin, beautiful complexion.
