GOLF IS DOING IT

Will Make Rockefeller Live to 94 Years of Age.

SO DOCTOR BIGGAR SAYS

Watches The Oil Baron Play Golf And Says He Will Live As Long As His Father—Rockefeller's health costs him \$5,000,000.

CLEVELAND, O., Aug. 7.—That John D. Rockefeller will live to be more than 94 is the prediction of Dr. H. F. Biggar, his family physician. Dr. Biggar watched Mr. Rockefeller play golf over the Forest Hill links yesterday and at the finish declared that the Standard Oil magnate was likely to live more than a quarter of a century longer.

William Rockefeller, John D. Rockefeller's father, is still living and is 94. Dr. Biggar said he saw no reason why the master of Forest Hill should not live longer than his father.

Mr. Rockefeller, has been born twice physically and he is only 14 years old. He is growing up again and growing up scientifically, adding to his muscle, to his lungs, to his heart power with every breath of fresh air he takes on Forest Hill, and with every drive he makes at the golf ball.

"Mr. Rockefeller came to Cleveland in 1893, in the middle of the panic period, completely broken in health, and spirit. He could eat nothing which would nourish him. His appetite was gone and his nervous system was a wreck.

"Doctor I am a sick man. I'm afraid I'm going to die. But it is not on account of the financial situation that I am sick," he said. "It is through disappointment of my friends."

He asked the doctor to help him. After a few days Dr. Biggar went to Mr. Rockefeller with this prescription: drop all business care; take regular exercises, keep in the open air; forget everything, but play, and play as if your life depended upon it.

Mr. Rockefeller carried out the prescription and dieted religiously.

"A few years afterward we were talking of his recovery and Mr. Rockefeller said to me "Doctor, do you know how much it cost me to get well?" I told him of course I did not. "Well, Doctor," he said, "It costs me just \$5,000,000. I lost that much by dropping business."

BIG SCHENECTADY.

American Genius Has Built Locomotive Largest in the World—Haul Mile and a Half Train.

NEW YORK, August 7.—The largest steam locomotive in the world is about to be turned out from the plant of the American Locomotive Works at Schenectady for the Erie Railroad. It will haul on grades a train of loaded cars a mile and a half long without the aid of helpers. Its weight is 413,000 pounds. The engine is really two engines and one boiler. It has four cylinders. The engine is designed for pusher service and will operate between Susquehanna and Gulf summit pass.

The Limit of Life.

The most eminent medical scientists are unanimous in the conclusion that the generally accepted limitation of human life is many years below the attainment possible with the advanced knowledge of which the race is now possessed. The critical period, that determines its duration, seems to be between 50 and 60; the proper care of the body during this decade cannot be too strongly urged; carelessness then being fatal to longevity. Nature's best helper after 50 is Electric Bitters, the scientific tonic medicine that revitalizes every organ of the body. Guaranteed by Charles Rogers, druggist. 50c.

FINGER NAIL SCRATCH RESULTS IN DEATH

A short time ago you may have read of the remarkable case where a simple scratch of the finger nail caused death by blood poisoning. At first it was only an annoying itch caused by summer rash. This was scratched by the finger nail to relieve the itch, but the skin was torn open, the irritation became worse and finally resulted in a fatal case of blood poisoning.

Do not scratch or rub the itch or irritation caused by summer rash, mosquito bites, hives, prickly heat or any form of skin disease or itch. D. D. D. Prescription, the best known remedy for eczema and all forms of skin diseases, externally applied, will at once stop the irritable itch. It soothes and cools the skin and permanently cures the itch or disease. Infants and children are saved many hours of agony and torture from the unbearable itch if a few drops of D. D. D. is applied to the afflicted parts. Remember—the itch is instantly relieved. Call at the store of Charles Rogers, Astoria, Or., and you can get a bottle. Try it.

PEARY FOR THE POLE.

NEW YORK, August 7.—Commander Robert E. Peary, the Arctic explorer, has arrived here and is busily engaged at Shooters Island, getting his ship, the Roosevelt, ready for service. Commander Peary expects to be ready to start some time on Thursday.

Why Fret and Worry

when your child has a severe cold. You need not fear pneumonia or other pulmonary diseases. Keep supplied with Ballard's Horehound Syrup—a positive cure for Colds, Coughs, Whooping Cough and Bronchitis.

Mrs. Hall, of Sioux Falls, S. D., writes: "I have used your wonderful Ballard's Horehound Syrup on my children for five years. Its results have been wonderful." Sold by Hart's Drug Store.

What One Enjoys.

At Otto Sund's pretty and cozy resort "The Commercial," one finds all that the inner man desires in the refreshment line and of the best quality too. To pass a little time in such a neat place and spend it in pleasant conversation with genial friends, probably a little business talk, is, to say the least, enlivening. Courteous treatment is another thing that is appreciated and one receives it from Otto himself who takes charge during the day and from his pleasant night manager both of whom dispense the best to be had. "The Commercial," 509 Commercial street, is well known and widely patronized.
