HARRIMAN WILL BE UP NEXT

Chief Of Department Of Justice Has Long Talk With President Roosevelt at Oyster Bay—Harriman Will be Arranged Within A Month.

NEW YORK, Aug. 10.—Attorney General Bonaparte who visited President Roosevelt at Oyster Bay yesterday, stopped for a brief period in this city before going to his home in Baltimore. While here he talked fully of his conference with the President and estimated that next month might bring further developments of importance in the campaign against alleged law breaking corporations.

"I do not wish to make any secret of the fact that the talk between the President and myself was in reference to the fine imposed by Judge Landis against the Standard Oil Company of Indiana," said Mr. Bonaparte. "We discussed that also and what step should be taken as a result of the investigation of the Interstate Commerce Commission as the Harriman railroad system. What will be done in regard to both these questions I cannot tell at the present time."

Mr. Bonaparte was asked if there would be any prosecution of individuals and he replied:

"I will say that if we do what the doctors call a good case, those higher up will come in for their share of the investigations. The cases will be pressed to the limit. So far as the smaller fry that are concerned I do not think there is any use of going after them. I refer to the men who are at present holding positions in the companies."

"Will the Standard Oil Company of Indiana be forced to pay the fine if its appeal fails?"

"That is a question, the answer to which is only to be found in the future," said Mr. Bonaparte smiling.

"The President and I talked over the amount of the fine imposed by the courts and we both sympathized very much with the company," added the attorney general and his smile broadened.

"But how can the Standard Oil Company of Indiana pay a fine of over \$29,000,000 on a capital of only \$1,000,000," he was asked.

"If the decision just obtained is affirmed by the court of appeals then we will go after our money and get it in some way," answered Mr. Bonaparte. "It is true that a stone has no blood," he added, "but a stone may be ground up. This one case against one company of the Standard does not insure immunity for the other branches. In all probabilities other cases will be taken up by the Department of Justice."

In speaking about the Harriman report which he had dismissed with the President, the attorney general said that there was nothing to be said at this time, but that developments may be expected within the next few weeks.

"Within a month," said Mr. Bonaparte. "I can say there will be something heard from the Harriman affairs. While there may be some new developments there will be nothing of a sensational character. I have had this matter under consideration for the last three or four weeks."

Among other things discussed by the President and Mr. Bonaparte, according to the latter was the prevalence of "land frauds" in the west. There are a great many of these it was said and the President was very much interested in having them brought to light and the offenders criminally prosecuted. This is being done just as fast as the cases come up for consideration.

GATES TO FOLLOW CROCKER.

American Will Sell Stable—Move To England And Forget Americans.

NEW YORK, Aug. 10.—John W. Gates, it is learned, by the Sun's Saratoga correspondent, has gone to England to settle like Richard Croker, live the life of a country squire, and keep up a big racing establishment.

This, it is stated, is the true meaning of the auction of C. E. Burnett's stable, to take place in August 16. During this time it was announced they were soon going to England and it is said he will get together a stable of English bred horses which he will race for Mr. Gates.

Mr. Gates, the story also says, will retain his citizenship in the United States. His son will probably represent him here, but he himself will seldom favor this country with a visit.

INDICTED WHILE IN COURT.

Judge Short Is Arrested While On The Bench on a Murder Charge.

HOUSTON, Tex., Aug. 10.—Judge H. B. Short was arrested at Center, Tex., yesterday while holding court on an indictment charging him with the murder of Dr. Mike Paul last fall. He was engaged in trying an important civil suit, but the arrest caused a postponement until he could furnish bond of \$10,000. Dr. Paul was one of the crowd pursuing a negro, Dich Garrett. Garrett took refuge in the home of Judge Short and fired on the pursuers, killing Dr. Paul. Garrett had a preliminary trial, while the court house was garrisoned with militia, and was hanged for the murder. Two grand juries have met since Dr. Paul was killed and no indictment was returned against Judge Short until the third jury met.

Twenty-One Filipinos Get Degrees From Chicago.

KNOW OF SELF GOVERNMENT

Major Vattman Says They Are Better Than American Students—Do Not Smoke Cigarettes And Trouble Was To Prevent Them Studying Too Much.

CHICAGO, Aug. 10.—Twenty one of the original 100 young Filipino students sent out to the United States by their native government four years ago to be educated in American colleges left Chicago last night for the Philippines with diplomas in their pockets preparing to tackle the intricacies of self government.

The boys started back home a few days ago and the remainder have decided to remain. The students have been happy but prouder than any was Major Edward J. Vattman, chaplain, U. S. A., retired and assistant superintendent of the insular bureau in charge of all the Filipino students in this party.

"I am proud to say that every one of them carried off some kind of honor or prize in the college he attended," said Major Vattman. "There was only one trouble with them—they studied too hard and we had some difficulty in preventing them from overdoing it. Their uppermost thoughts were of the day when they would have a hand in conducting affairs of the government. They are quieter than American college students and absence of cigarettes is noticeable in the Filipinos."

After giving each man his transportation, \$15 and a work on "The Faith of Our Fathers," written by Cardinal Gibbons, Major Vattman turned the party over to J. M. Vandez, one of the oldest boys.

It is said that not one in the entire 100 failed in his examinations.

OPPOSE REMOVAL

Van Drans Do Not Want Body Exhumed.

MONTEITHS WILL NOT DO IT

Strange Controversy at Albany Resulting Out of the Van Dran Tragedy—Brothers of Dead Man Say They Are Being Annoyed—Won't Give up Body

ALBANY, Or., August 10.—While George and Chris Van Dran refuse to disinter the body of their brother, Kaspar, from the grave beside that of Minnie B. Van Dran, wife of the deceased, in the Monteith family lot in the City Cemetery, they will also refuse to permit action on the part of "Mack" and Watt Monteith to remove it.

The Van Drans believe that is no reason for removing Kaspar Van Dran's body from his present resting place. In their opinion the attempt of the Monteith brothers to have Kaspar Van Dran's body disinterred is merely an effort to harass and annoy them. So far as the aVn Drans are concerned, the matter was settled, they say, when the Monteiths consented to the burial of Kaspar Van Dran in their family lot.

"While I have not conferred with the Van Drans are concerned, the matter torney J. R. Wyatt, who represents the Van Drans' interests, "I am positive that should 'Mack' and Watt Monteith take steps to have Kaspar Van Dran's body disinterred on their own account we would be compelled to oppose such action. I received a letter some time ago from the Monteiths concerning their desire to have Kaspar's body removed from the Monteith lot, and replied, telling them our views on the matter."
