MORSE'S

STOCK IS MELTING RAPIDLY

This closing out sale distances anything ever seen in Astoria. Buyers are coming fifty miles to this wonderful sale. Economical people are buying their wants for the next twelve months. Many merchants have bought entire lines, knowing they save from 10 to 20 per cent under manufacturer's prices.

We Must Close this Mammoth Stock

in two weeks if possible. It's up to you to act quickly. Waste not a day. The vigorous selling and desperate price-slashing begins at 8 a. m. We ask you to help us, and at the same time help yourself by following these suggestions. Take packages with you, shop in the morning and have a little patience.
