

Sangerfest Opens

The Fifth Annual Festival of the Norwegian Sangerfest of the Pacific Coast is in full swing in Astoria and will be in the height of its glory this afternoon and evening, when two huge concerts will be given at the Astoria Theatre, commencing sharp at 2:30 p. m. and 8:15 p. m. Over two hundred trained singers, noted soloists in the way of special talent, and about eight hundred visitors are in the city to attend the festival.

The opening of the proceedings commenced yesterday morning at the headquarters in the Ford and Stokes hall. Mayor Wise made the visitors an address of welcome in a manner which left them satisfied that they are the most

welcome visitors in Astoria. President S. L. Nanthrup greeted them and other speakers made short talks. The singers then adjourned to the theatre for the first rehearsal of all the combined choirs. On a large stand erected on the stage the singers over two hundred strong sat in rows. Professor Sperati, the noted musical director, took charge of them for over two hours and put them through their paces in the most amazing style. The music from the host of voices was too grand and inspiring to describe, and those who will hear them today will be astounded at the volume of tone, its delicacy, sweetness and finish.

After being served with luncheon by

the ladies reception and entertainment committee at the headquarters, another short rehearsal was gone through. The singers and their friends then boarded a special train for Seaside at 3:30 o'clock. Singing and general jollification kept them in an enjoyable mood during the visit to the beach where they had dinner trip to the beach where they had dinner at the Moore hotel, returning later in the evening.

Madame Norelli, the celebrated prima donna arrived in the city yesterday on the noon train, and Carl Venth, Dr. Enna and the other special talent arrived in the city for the entertainments today. Everything is in excellent

shape for the big festival and the following is the complete program of the proceedings:

BLINDS GIRL STUDENT.

Young Experimenter May Lose Eyesight From Accident in Laboratory.

SAN FRANCISCO, Aug. 31.—Stella Fose, a sixteen-year old girl of 632 Guerrero street, who is a student of the Lick School of Mechanical Arts, was experimenting in the chemical laboratory yesterday afternoon, when an accident occurred which may cost the girl her eyesight. She had in her hand a Florence flask, filled with hydrogen. The hydrogen took fire and the flask exploded. The girl's face was badly burned and cut by the flying glass.

Had Tetter For Thirty Years.

I have suffered with tetter for thirty years and have tried almost countless remedies with little, if any, relief. Three boxes of Chamberlain's Salve cured me. It was a torture. It breaks out a little sometimes, but nothing to what it used to do.—D. H. Breach, Midland City, Ala. Chamberlain's Salve is for sale by Frank Hart and leading Druggists.

It is a well known fact that persons living in the Pine forests do not suffer from kidney diseases. One dose of Pineules at night usually relieves back-ache. 30 days' treatment, \$1.00. Your money refunded if not satisfied. Sold by Frank Hart's Drug store.

Sallowness Transformed to Dusky Beauty
A dark skin becomes fascinating when delicately soft, underpinned with the radiant glow which indicates a healthy, active skin. Robertine keeps the skin refined in quality, keeps pores free from clogging waste and stimulates the tiny capillaries to contribute the color which charms in blonde and brunette alike. Robertine is certain protection against sunburn and freckles if applied before exposure to sun or wind. Spreads like an imperceptible sheen of gauze over skin surface, forming a shield stimulating and preserving a delicate, lustrous beauty.

PLEA OF INSANITY.

Thaw Is Tractable And Will Do As His Lawyer Orders.

NEW YORK, Aug. 31.—A plea of temporary insanity, from which he has fully recovered, and as far as possible after absence of the sensationalism of the last trial will be the method pursued by Martin W. Littleton at the next trial of Harry K. Thaw for the murder of Stanford White. That has been fully decided on by Mr. Littleton who is to have complete charge of the defense of the Pittsburgh millionaire. Littleton will not have the trouble with Thaw that the other attorneys have had. Long confinement is having its effect on his client and the headstrong man is more amenable to reason than formerly. Littleton is bending every effort to secure a

speedy trial, but with little likelihood of success, as it will be well along toward the last of the year before the District Attorney will be ready to proceed. Littleton brands as absurd the report that Thaw is on the verge of a complete breakdown.

Mr. Littleton declined to discuss how he would conduct the case. It is certain that there will be no appeal to the "unwritten law" and the general defense will be the temporary insanity plea. It is hinted that several new witnesses have been secured who will tell of White's alleged boasts of his influence with Thaw's wife.

Luncheon at Methodist Church.

The ladies of the Methodist Church will serve luncheon in the basement of the church on Duane street, between

Eleventh and Twelfth street on Monday, September 2nd, from 11:30 a. m. until 2 p. m. The fact that home cooking will be served by the ladies is assurance that the best meal in the city will be served. The price of luncheon will be 25 cents. The proceeds will be used toward paying for improvements recently made on the interior of the church.

FREIGHT TRAIN DITCHED.

REDDING, Cal., Aug. 29.—Seven cars of southbound freight train No. 221 were ditched today between Shasta Springs and Cantara. Two cars loaded with horses were smashed. Two horses were killed and many hurt. The southbound train Nos. 11 and 35 are five hours late, as the track was torn up for half a mile. No one was killed. The horses belonged to Joe Hazlett, of San Francisco.

SPEAKER CANNON AT HOME.

Nephew and Niece of "Uncle Joe" to Visit Here On Way To Philippines.

WASHINGTON, Aug. 31.—Speaker of the House of Representatives Cannon and his daughter are spending the summer in their home in Danville, Ill., with the former's grandchildren. Lieutenant and Mrs. E. Holland, nephew and niece of the speaker, have just completed a visit there previous to proceeding to California on their way to the Philippines. They will spend a few weeks with relatives at Caliente, Cal., before sailing.

Lieutenant and Mrs. Rubolton spent some weeks in the East this month, visiting the former's relative here, Dr. Cannon of the marine hospital corps, going later to Jamestown and New York.
