**APPEAL TO COMMISSION.**

Oregon and Washington Will Take Raise in Rates Before Commission.

PORTLAND, Sept. 10.—The Oregon State Railroad Commission at the instance of the Oregon and Washington Lumbermen's Association tonight sent a petition to the interstate commerce commission at Washington, D. C. requesting the interstate commerce commission to restrain the trans-continental railroads from inaugurating a prospective raise in the railroad rates on east bound lumber until after the interstate commerce commission has investigated the merits of the increase.

The railroad commission sets out that the proposed increase in some cases amounts to 25 per cent and that it is unnecessary and unjust and will inflict a severe blow to the lumber industry.

**WEDS TWIN BROTHER.**

PARIS, Ill., Sept. 10.—Mrs. Ada Thomas, of Chrisman, Edgar county, complainant in a suit for divorce from Calvin Thomas, declared in an interview yesterday that she was tricked into marrying the defendant, who closely resembles his twin brother, Alvin Thomas, and that she did not discover the mistake until after the marriage ceremony.

After a courtship lasting about three months, Mrs. Thomas says she made an appointment to meet Alvin here and they were to go to Charleston to marry. It develops that Alvin's ardor was cooled and he sent Calvin to meet his fiancée at the train.

Mrs. Thomas states that she had not the slightest suspicion of the deception and that when Calvin expressed a willingness to go to Charleston that night she consented. Mrs. Thomas discovered that she had been "dipped" when she happened to see the twins together, upon her return here next day after with the wrong man she sued for her freedom.

**GOVERNOR RETURNS.**

SALEM, Or., Sept. 10.—Governor Chamberlain returned from Sacramento this morning on the overland. The train was late and arrived shortly before 10 o'clock. The governor reports an enjoyable trip, though a strenuous one. He was pleased with the attendance and work accomplished at the congress.

**ARMISTICE PROVES FAILURE.**

PARIS, Sept. 10.—There are indications that France and Spain believe that Sultan Abdul Aziz has more followers than has his brother, Mulai Hafiz. Premier Clemenceau announced today that he had been reliably informed that Mulai's popularity is already on the wane. The government assumes that the armistice between General Druce and the Moors has proved a failure.

**MARRIED IN VAULT.**

Groom Buys Watermelons for Court-house Staff After Ceremony.

SPOKANE, Wash., Sept. 10.—A desire for the unusual prompted Alice Mooney, a belle of the Palouse wheat district, to ask Judge Thomas H. Brentz, of the Superior Court at Walla Walla, to perform the ceremony of her marriage with John A. Raymond, a rancher, in the vault in the office of the county clerk. Judge Brentz, who was a pony express rider in the early days, has not lost his love for the novel of adventure. He quickly assented and the service was read while the wedding party was in the steel-encased strong box.

When the groom handed the fee to the judge it was the understanding it should be expended for watermelons, the entire court house staff being guests. Many others were assembled on the lawn when a wagon filled to the guards with ripe melons hove in sight, but the bride and groom did not remain to participate in the festivities that followed.

"I have officiated at horseback, automobiles, county fair and thresher weddings," said Judge Brentz, "but this is the first time that I have ever heard of a bridal party being locked in a fire-proof vault while the ceremony was performed. If the desire for the novel continues it will not be long before judges and ministers will be required to have airships as part of the equipment."

**OLD OFFENDER JAILED.**

SAN FRANCISCO, Sept. 10.—William Bailey, but recently released from the county jail, was arrested by Detectives Gibson and Graham this morning and is held in detinue at the city prison. He will be booked on three charges of passing fictitious checks.

Bailey is alleged to have passed checks drawn upon the California Safe Deposit Company, in which he had no funds; upon Mrs. B. Deidel, 3692 Twentieth street; George D. Melvois, 743 Guerrero street; Minert Rewawatz, Mission and Twenty-first streets. The checks were for \$6, \$5 and \$16.75, and were passed on the victims in the order named. Bailey has long been engaged in this line of work and has always managed to escape felony prosecution, as he is wise enough to keep his worthless paper inside the \$50 mark.

**STANDARD GETS JOLT.**

In Arguments for Supercedas Bond Judge Grosscup Says he Thinks it Should Equal Company's Valuation.

CHICAGO, Sept. 10.—The Standard Oil Company of Indiana today applied to the United States circuit court for a writ of supercedas suspending the operation of the recent hearing by Judge Landis in the United States District Court in which the penalty assessed against the company was \$29,000,000.

Judge Grosscup, before whom the application was made, declined to take any action until he had heard arguments from the attorneys on both sides. The arguments consumed a greater part of the day. Attorneys for the government insisted that the supercedas bond, if the writ of error was granted, should be as large as the fine assessed against the company. The attorneys for the company argued for a bond of \$1,000,000. Judge Grosscup, while not specifying the amount of the bond, declared he thought it should be equal at least to the total value of the Standard Oil Company of Indiana.

**PREVENT JAIL BREAK.**

COLFAX, Wash., Sept. 10.—Jailer W. A. White and Deputy Sheriff W. I. Daily saved a jail delivery of 14 prisoners by discovering a suspicious crack in the whitewashed brick wall in the county jail here Sunday afternoon. The prisoners had just been locked up after their afternoon exercise, when the plan for escape was found. Bricks had been taken from the wall and eight had been ground up and put through the sewer. Some of the bricks had been replaced and a hole about a foot square had been covered.

The prisoners have been kept in ignorance of the discovery and a guard will endeavor to discover the prisoners at work and find who are involved. Sheriff Fred Ratliff stated that from their work he would judge they expected to make their escape about Wednesday.

## Women Avoid Operations

When a woman suffering from female trouble is told that an operation is necessary, it, of course, frightens her.

The very thought of the hospital, the operating table and the knife strikes terror to her heart.

It is quite true that these troubles may reach a stage where an operation is the only resource, but a great many women have been cured by Lydia E. Pinkham's Vegetable Compound, after an operation has been decided upon as the only cure. The strongest and most grateful statements possible to make come from women who by taking

**Lydia E. Pinkham's Vegetable Compound**

made from native roots and herbs, have escaped serious operations, as evidenced by Miss Rose Moore's case, of 307 W. 26th St., N. Y. She writes:—

"Dear Mrs. Pinkham:—Lydia E. Pinkham's Vegetable Compound has cured me of the very worst form of female trouble and I wish to express to you my deepest gratitude. I suffered intensely for two years so that I was unable to attend to my duties and was a burden to my family. I doctored and doctored with only temporary relief and constantly objecting to an operation which I was advised to undergo. I decided to try Lydia E. Pinkham's Vegetable Compound; it cured me of the terrible trouble and I am now in better health than I have been for many years."

This and other such cases should encourage every woman to try Lydia E. Pinkham's Vegetable Compound before she submits to an operation.

**Mrs. Pinkham's Standing Invitation to Women**

Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. From the symptoms given, the trouble may be located and the quickest and surest way of recovery advised.
