enese who came to the plantations to

ennexation was declared they melted

away from the plantations to the States.

The same thing is going on today and

every ship captain could fill his boat

with Japanese who want to come to

this country. The planters, who are

making money from their sugar refin-

eries, need the labor so bad, and their

profits are so great that they can afford

to take the risk and still contract these

Japanese laborers and take chances on

their staying long enough to get some

work out of them. The result is that

there is a continual stream of these little

fellows going to the islands and they are

only waiting to set foot in the United

In speaking of the recent report that

the island of Laysan had dropped out of

sight Captain Goodman discredited the

story and said that it was out of the

water when he left and that the report

had been sent out by a vessel which

had set out to go to the island and the

captain getting mixed in his bearings

reported that the island had been in a

volcanic eruption and had been de-

FURTHER IMPROVEMENTS.

WASHINGTON, Sept., 11 .- Further

evidence of the government's concern

over the improvement of range condi-

tions in the National Forests is shown

in the announcement just made that

stock owners will be furnished free of

charge supplies of vaccine for the treat-

ment of stock afflicted with black leg,

tuberculosis and other animal diseases.

This arrangement has been made by the

Forest Service with Dr. A. D. Melvin.

chief of the Bureau of Animal Industry.

in the National Forests will now be fur-

nished with an effective means of com-

batting without cost all of the most

dangerous diseases to which stock is sub-

ject. The vaccine can be obtained sim-

ply by applying to the supervisor of the

Forest upon which the stock is grazed

who will at once forward the approved

request to the Bureau of Animal Indus-

try where it will be filled. Full direc-

men will avail themselves of this latest offer of assistance and as a result the

loss of stock will be greatly reduced and

REMERRORS ASSESSMENT

REPLIES TO FISH.

Hanrahan Submits Report of His Man agement of Illinois Central.

NEW YORK, Sept. 11 .- A reply to Stuyvesant Fish's criticism of his management of the Illinois Central made by President Harahan today to the board of directors. The reply includes reports from Haraban's subordinates. Following the meeting Secretary Hackstaff declined to say whether any action was tak er on the resolutions offered by Fish at the previous meeting.

The directors also declined to discuss the action of the board,

FALLS FROM LADDER.

DAYTON, Wash., Sept. 11.—Richard Hill, aged 79 years, fell from a ladder last evening while engaged in putting a cornice on a house, landing on his head and shoulder, and sustained serious injuries.

Mr. Hill has had a life full of accidents, having narrowly escaped death on numerous occusions. At the age of 3, when on a voyage from India to England, he fell overboard off Cape of Good Hope. At the age of 6 he fell into the Mohawk river, and some years later in Kansas, Mr. Hill's loaded wagon turned over on him, crushing him badly. Two months ago he fell from a ladder while working on a building breaking, a rib and sustaining other inju-
