SUCCESSFUL POWER

Alcohol Used Successfully in Place of Gasoline.

DEPARTMENT EXPERIMENTS

Engines Run Much More Noiselessly and Maximum Power is Greater—Nut-Raising to be Great Industry in South Atlantic and Gulf States.

WASHINGTON, Oct. 14.—From exhaustive experiments conducted by officials of the Department of Agriculture, it has been finally determined that denatured alcohol can successfully be used to run internal combustion engines and motors designed for gasoline, without material change in construction, it having been found that alcohol will prove as effective as gasoline of kerosene. Exhaustive experiments made here have demonstrated the fact that automobiles or engines operated with the new liquid are run much more noiselessly and the maximum power is much greater. Altogether the "poor" farmer whose automobile is used for transportation, for cutting wood, chopping corn, running the pump and a score of other things ought to be happy.

The Agricultural Department is watching with interest the growth of nut farming in the South Atlantic and Gulf States. From reports received it would appear that the pecan is the favorite, and farmers are planting large groves. It is not uncommon for one pecan tree to bear as high as 200 pounds of nuts in one season, and as they bring all the way from 60 to 80 cents a pound, it can readily be seen that the industry is a profitable one. The food faddists are responsible in great measure for the increase popularity of nuts, and for some time past the demand has far exceeded the supply. The advent of machinery, too, has made the handling of the nuts much easier, and they can be gotten ready for market in much more attractive form. Numbers of agriculturists are planting groves of pecan trees, and before long, it is believed nuts will be one of the Southwest's staples.

With Secretary Taft away, "Uncle Joe" Cannon preserving a silence so dense as to be oppressive, Vice President Fairbanks speechless after the way the Methodists handled him and the other prospective candidates for the Roosevelt chair quiescent, there isn't much in politics these days. The question of the hour is what Arthur Vorhys, the Taft manager, said to the President on the train in Ohio last week. Did he urge the Chief Executive to come out openly for the Secretary of War? If you can answer it, you'll set at rest the minds of many.

It is possible that President Roosevelt will confine his hunting trip to Louisiana and the cane break bears. He has hoped to spend a few days in Texas, chasing the elusive and savage wild pig with the spear—although whether with the "spear that knows no brother" is not definitely known. Official business is piling up to such an extent that the Chief Executive probably will have to hurry back to give it his attention. There is not much fun to be derived from the contemplation of stacks of papers, all requiring either the attention of the nation's head of his signature, and the President finds as little joy in this condition as any one. So probably the Texas boars will have to wait for another time while the Louisiana bears will be accorded the honor of being "shot up" by the mighty hunter's rifle.

His Dear Old Mother.

"My dear old mother, who is now 83 years old, thrives on Electric Bitters," writes W. B. Brunson, of Dublin, Ga. "She has taken them for about two years and enjoys an excellent appetite, feels strong and sleeps well." That's the way Electric Bitters affect the aged, and the same happy results follow in all cases of female weakness and general debility. Weak, puny children too, are greatly strengthened by them. Guaranteed also for stomach, liver and kidney troubles, by Charles Rogers, druggist, 50c.

HILL CLUCKS TO HIS CHICKS.

NEW YORK, Oct. 14.—At the annual meeting of the Great Northern Railway stockholders in this city today it was voted to acquire by direct purchase all the subsidiary companies of the system hitherto held through stock ownership according to the plan announced by James J. Hill some time ago. All the retiring directors were re-elected.

No persons that keep the food canal clean and healthy can have appendicitis. Hollister's Rocky Mountain Tea cleans the food canal and protects you from disease. 35 cents, Tea of Tablets. Sold by Frank Hart, Druggist.

One of the Important Duties of Physicians and the Well-Informed of the World

is to learn as to the relative standing and reliability of the leading manufacturers of medicinal agents, as the most eminent physicians are the most careful as to the uniform quality and perfect purity of remedies prescribed by them, and it is well known to physicians and the Well-Informed generally that the California Fig Syrup Co., by reason of its correct methods and perfect equipment and the ethical character of its product has attained to the high standing in scientific and commercial circles which is accorded to successful and reliable houses only, and, therefore, that the name of the Company has become a guarantee of the excellence of its remedy.

TRUTH AND QUALITY

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing, therefore we wish to call the attention of all who would enjoy good health, with its blessings, to the fact that it involves the question of right living with all the term implies. With proper knowledge of what is best each hour of recreation, of enjoyment, of contemplation and of effort may be made to contribute to that end and the use of medicines dispensed with generally to great advantage, but as in many instances a simple, wholesome remedy may be invaluable if taken at the proper time, the California Fig Syrup Co. feels that it is alike important to present truthfully the subject and to supply the one perfect laxative remedy which has won the approval of physicians and the world-wide acceptance of the Well-Informed because of the excellence of the combination, known to all, and the original method of manufacture, which is known to the California Fig Syrup Co. only.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent of family laxatives, and as its pure laxative principles, obtained from Senna, are well known to physicians and the Well-Informed of the world to be the best of natural laxatives, we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of Syrup of Figs—and to get its beneficial effects always note, when purchasing, the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package, whether you simply call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna—as—Syrup of Figs and Elixir of Senna—is the one laxative remedy manufactured by the California Fig Syrup Co. and the same heretofore known by the name—Syrup of Figs—which has given satisfaction to millions. The genuine is for sale by all leading druggists throughout the United States in original packages of one size only, the regular price of which is fifty cents per bottle.

Every bottle is sold under the general guarantee of the Company, filed with the Secretary of Agriculture, at Washington, D. C., that the remedy is not adulterated or misbranded within the meaning of the Food and Drugs Act, June 30th, 1906.

TELLS ASTORIANS HOW TO FIND

IF THE KIDNEYS ARE INACTIVE. ALSO GIVES SIMPLE PRESCRIPTION WHICH ANYONE CAN PREPARE AT HOME.

A well-known authority states that there are more cases of kidney trouble here now than ever before, while recent reports show that more people succumb each year to some form of kidney disease than any other cause.

When there is sickness, examine the urine. Rheumatism is only a symptom of kidney trouble. It is nothing more or less than excessive uric acid in the blood which the sluggish, inactive kidneys have failed to sift out, leaving it to decompose and settle about the joints and muscles, causing intense suffering; frequently resulting in deformity; often reaching the heart when death ensues.

Pains across the back, frequent, painful and suppressed urination and other symptoms of weak bladder are not the only signs of kidney trouble; many cases of stomach disease, headache, pain in the heart, inactive liver, etc., are but symptoms; the cause of which can be traced to feeble, clogged kidneys. The physicians for the insurance companies always carefully examine and report on the condition of the urine. It is a certain sign of sickness or health of the human body.

A test of the urine should be made by every man and woman at least once each year. A simple test is to void a small quantity of urine in a bottle or glass and let it stand over night; next morning, if there is a reddish brick-dust sediment, or white, fleecy substance present, either consult some reputable physician or take a good vegetable treatment. The following prescription is recommended highly in these cases, and if desirable the sufferer can mix it at home. Any good prescription pharmacy has the ingredients, which are harmless and inexpensive: Compound Kargon, one ounce; Fluid Extract Dandelion, one-half ounce; Compound Syrup Sarsaparilla, three ounces. Shake well and use in teaspoonful doses after each meal and at bedtime. Where any of the symptoms enumerated above are present, good results are sure to follow immediately the use of this simple prescription.

ARMY CHANGES.

WASHINGTON, Oct. 14.—Army orders: Capt. Lawrence J. Fleming transferred from First to Fourteenth cavalry, and Capt. Herbert J. Breas, cavalry, and assigned to Fifth cavalry. The following changes are ordered in the Fourth field artillery: First Lieut. Leo P. Quinn, placed on unassigned list; Lieut. William T. Wood, transferred from Battery D to Battery A; Leroy P. Collins, assigned to Battery D.

EVER WATCHFUL.

A Little Care Will Save Many Astoria Readers Future Trouble.

Watch the kidneys secretions. See that they have the amber hue of health; The discharges not excessive or infrequent; Contain no "brick-dust like" sediment. Doan's Kidney Pills will do this for you.

They watch the kidneys and cure them when they're sick. Mrs. A. M. Hobblough, of 328 Grant street, Portland, Oregon, says:

"My Faith in Doan's Kidney Pills is stronger today than when I gave a statement for publication a few years ago in the city papers. The years that have elapsed since I first used Doan's Kidney Pills with gratifying results only increased my appreciation of them. I have found the remedy to be thoroughly reliable in every way. I had suffered from kidney disorder, backache and severe pains in my loins. My chief source of trouble was with my kidneys, which were very irregular in action. Doan's Kidney Pills promptly relieved me of all my troubles, banished my backache, corrected the action of my kidneys and helped me in every way. I think just as highly of this remedy today, as when I gave a public statement some years ago."

Plenty more proof like this from Astoria people. Call at Charles Rodgers' drug store and ask what customers report.

For sale by all dealers. Price 50 cents Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's and take no other.
