ARRESTED AS SPIES

French Army and Navy Officers Sell Secrets.

SECOND DREYFUS AFFAIR

Naval Signal Book and Cipher Code Abstracted from the Bureau—Ensign Ullmo of Jewish Extraction—Army Officer Named Burton Negotiates With Foreign Power.

PARIS, Oct. 26.—The arrest of Ensign Charles Ullmo, of the French navy at Toulon yesterday on a charge of having a spy and who later confessed to having abstracted a secret naval signal book and the naval cipher code, was followed today by the arrest at Vendome of an officer named Burton, who is charged with negotiations with an agent of a foreign power for the sale of military secrets. The arrests are creating a great stir and as Ullmo is a Hebrew, the papers term this case a second Dreyfus affair.

It appears that Ullmo offered certain documents to the Minister of Marine for \$30,000, saying that unless his offer was accepted he would sell them to a foreign power. A dummy correspondence was begun ending with Ullmo's capture.

RIOTS HARD TO PROBE.

London, Oct. 26.—The police investigations into the recent riots in Eastern Bengal are almost at a standstill, owing to the difficulty of procuring evidence. In Sherpur, where a large mob attacked the punitive police barracks and were not driven off until four persons had been killed and others wounded, difficulty was experienced in identifying any of the persons who had been present. A Bengali newspaper asserts that the local Zemindar is suspected of complicity in the affair.

Meanwhile another Calcutta sensation is the arrest of A. C. Bannerjee, a leading barrister and municipal commissioner, on a charge of delivering seditious speeches. Mr. Bannerjee took a leading part in the organization of the boycott, his house being the headquarters of picketing parties. His last public appearance was on Wednesday, when, in conjunction with Surendra Nath Bannerjee, he addressed a large meeting to sympathize with Bepin Chandra Pal.

SUES SOUTHERN PACIFIC.

RENO, Nev., Oct. 26.—The United States began suit yesterday in the United States District Court at Carson to set aside patents to 15,000 acres of land held by the Southern Pacific Company in the White Horse mining district on the ground that the land was fraudulently represented by the railroad company to be agricultural when it was known to be mineral.

DENIES ACCUSATIONS.

SAN FRANCISCO, Oct. 26.—When the trial of Captain Christian Klingenberg who is charged with the murder of his chief engineer, Jackson Paul, while the vessel Olga, was in the jeepack off Prince Albert Island in the Winter of 1905, was resumed yesterday with the accused man upon the stand in his own behalf. Klingenberg denied the accusations of the witnesses of the government, who preceded him on the stand, and related his version of the shooting to support his claim of self-defense.

FILIPINO REFUSED PAPERS.

SANTA ROSA, Cal., Oct. 26.—Acting upon advice of the United States district attorney's office, County Clerk Fred L. Wright has refused the application of Benigno Bocco, a local Filipino, for naturalization papers. Assistant District Attorney White in a written opinion holds that until such time as they may be especially granted by Congress, naturalization rights do not apply to Filipinos, although as such all Filipinos are entitled to the protection of the United States government.

"IS A FINANCIAL GENIUS"

Statement by the Silver Tongued Orator That He Proposed Legislation to Protect Depositors Cause for Attack—Lauds Morgan and Rockefeller.

NEW YORK, Oct. 26.—Alton B. Parker said yesterday that he had seen W. J. Bryan's statement in Schneetady that while in Congress Mr. Bryan advocated a law to protect depositors from exactly such conditions as occurred in New York during the past few days. Commenting thereon, he said: "How glorious to be a heaven-born financial genius. What a pity Congress could not have appreciated the wonderful advantages of such a law. Had they appreciated it we would not have heeded yesterday the patriotism of J. Pierpont Morgan that prompted him to throw \$27,000,000 of his money, the \$10,000,000 of Rockefeller and the money and strenuous labor of public spirit and honest bankers and business men who strove mightily to save business generally and therefore every citizen from ultimate injury. I am sorry that he did not mention the title of the bill. In the absence of specification, there will be those who will think that its title may have been '16 to 1!'"

BIDS FORWARDED.

CHICAGO, Oct. 26.—Bids on 1,000,000 pounds of copper which the Federal government is about to purchase for use in the form of wire cable for the transmission of electrical power in the Salt River reclamation project, in Arizona, were forwarded to Washington by E. T. Perkins, a government purchasing agent yesterday. Sufficient cable is required

for a double circuit 60 miles in length for transmitting power developed below the Roosevelt dam to an auxiliary pumping station that is being located along the side of the canal. The purchases will approximate \$150,000.

VIOLATE RULING.

CHICAGO, Oct. 26.—In direct violation of the ruling made by the Interstate Commerce Commission, prohibiting the extension of the return limit of round-trip tickets, for any cause, the officials of the Union Pacific Railroad have announced that the privilege will be granted in case of sickness. The Union Pacific attorneys contend the ruling of the Commission in this particular is not warranted by the law.
