

# Second Annual WOOLEN GOODS SALE AT THE BROWNSVILLE WOOLEN MILL STORE

Just a year ago we inaugurated our first great woolen goods sale which possibly you remember was the greatest bargain event ever held in Astoria and thousands of thrifty buyers took advantage of our special offer and bought their winter supply while the prices were so low—This year we have inaugurated a much greater sale with fully twice as large a stock and better and more commodious quarters to handle the trade, consequently every customer will receive the same careful attention as has always been our rule—We have enough woolen goods on hand to supply two large stores and the prices are cut to the limit.
