LARGE IMMIGRATION

Returning Business Men Make Prediction.

EASTERN PEOPLE INQUIRING

Oregon Receives Strong Endorsement as a Live Stock Country—Good Roads Association to Meet—Dairy Association Adding to Prize List.

PORTLAND, ORE., Oct. 28.—Business men returning from the East are unanimous in predicting an enormous immigration to Oregon during the coming year. People residing in the great cities of New York, Chicago, Brooklyn, Philadelphia, Boston, Pittsburgh, Cincinnati and other population centers never expressed so much anxiety to hear about this country as at present and the same idea is reflected through the correspondence of the Portland Commercial club.

Judge John M. Scott of Salem, president of the State Good Roads association, is conducting an active campaign in behalf of the Good Roads meeting to be held in the rooms of the Portland Commercial club, November 14 and 16. Judge Scott desires that every commercial, industrial, agricultural, horticultural and irrigation organization in the state to send delegates.

President Ed. T. Judd of the Oregon State Dairy association, reports constantly increasing interest in the big state meeting to be held in Portland, December 12 and 13. Constant additions are being made to the prizes, and an active committee is at work. It is desired above everything else, that the farmers be present on this occasion.

Oregon never received a stronger endorsement than the following from the pen of Prof. Charles Curtis of the Ames, Iowa, Agricultural college: "There is nowhere on the face of the globe a land or people so dominant in the improvement of live stock or so potent in the production of the highest types of domestic animals as the British Islands. There is nowhere on the American continent a region affording conditions so closely allied to those of Great Britain as on the North Pacific coast of the United States. The similarity is noticeable, not only in climatic conditions and natural environments, but also in the genu-

ine enthusiasm and deep-seated faith in the industry possessed by the tillers of the soil."

The Eugene Commercial club has employed Mr. John H. Hartog of California, to take charge of their publicity campaign at a salary of \$5000 a year. Mr. Hartog will be an important factor in the development of Oregon, for California has never developed a brighter man in the advertising line.

The exhibit of samples of iron ore from Columbia county is promised at the Portland Commercial club this week. The development of oil in Western Idaho and Eastern Oregon is bringing absolute new capital and new people that no other industry would have attracted.

WHO USES HYOMEI?

The Best People in Astoria, Says T. F. Laurin—Guaranteed In Catarrhal Troubles.

No other remedy or medicinal treatment has ever been as popular or made so many remarkable cures in Astoria as Hyomei.

The best people attest its curative virtues, says T. F. Laurin, who are the local agents. The fair way in which Hyomei was sold, to refund the money unless it gave satisfaction, was the best proof when it was introduced that it possessed unusual curative powers. T. F. Laurin took all the risk of the treatment giving satisfaction, and left it to the purchasers to be the judge.

Later, when Hyomei was used and recommended by our well-known physicians and business men and their wives as a treatment that absolutely cured catarrh, no matter how serious or long standing, the sales rapidly grew and today there is no other remedy in T. F. Laurin's large stock that has such a large and staple sale.

The first breath of Hyomei's healing air kills all catarrhal poison.

Try Hyomei today on T. F. Laurin's offer to refund the money if the treatment does not give your satisfaction, and you will soon become its friend and recommend it to others. There's nothing else that gives such quick curative results in catarrhal conditions.

Out of Sight

"Out of sight, out of mind," is an old saying which applies with special force to a sore, burn or wound that's been treated with Bucklen's Arnica Salve. It's out of sight, out of mind and out of existence. Piles too and chilblains disappear under its healing influence. Guaranteed by Charles Rogers. 25c.

MONEY FOR CROPS

Secretary of Agriculture Wilson Says Value is Greater.

ENORMOUS SUM FOR FARMERS

Unable to See Any Danger in Financial Situation—Crop Shortage Abroad Helps Boost Prices—No Hard Times For Country.

CHICAGO, Oct. 28.—A dispatch to the Tribune from Washington says:

Secretary of Agriculture Wilson said last night that the farmers will get more money for their crops this year than they got for those of last year. The total value of all farm products in 1906 was \$6,704,000,000. This enormous sum not only will mean that there will be no hard times for the country, but that the prosperity which has blessed it for a dozen years will continue.

Secretary Wilson is unable to see any danger in the financial situation, believing it is entirely confined to the speculative element in New York, and he is convinced that the next few weeks will show that the farm and not wall Street is the real barometer of our financial welfare.

Secretary Wilson's confidence that the total wealth produced this year from farm products will be greater than that of last year is based partly upon the fact that there is a scarcity of wheat and other crops abroad and this has contributed to the increase of prices. Crops at home will not be as large probably as those of 1906, except cotton. As secretary Wilson said, everybody knows the price of meat has gone up, which the output of the packing-house products has increased.

AFRAID OF BURGLAR.

Leaps from Window and Sustains Serious Injuries.

CHICAGO, Oct. 28.—Frantic with fear of a burglar whom she had discovered in her bedroom, Mrs. Barbara Rumstick, 53 years old, last night leaped from an open window to the ground and sustained a fractured wrist and internal injuries which rendered her unconscious. The robber, looking out of the window and seeing the woman lying motionless on the ground, menaced her husband with his revolver to prevent outcry and calmly proceeded to ransack the contents of the bureau and clothes. Then he tied his booty in a sack and swung from the window and dropping to the ground, passed the unconscious woman without a glance. As the burglar fled through the neighboring yards, Mr. Rumstick rushed in his night clothes to his wife's assistance. He found her still unconscious and moaning with pain. Carrying her into the house, he summoned a doctor and the police.

NEW YORK, Oct. 28.—Announcement is made that Rev. John Kellar has been appointed to the important position of organization secretary of the Protestant Church in the Isthmus of Panama.

ARRAIGNED FOR SENTENCE.

NEW YORK, Oct. 28.—Dr. Walter L. Gillette, formerly vice-president of the Mutual Life Insurance Company, who was convicted last week on the charge of perjury, will be arraigned before Justice Bowling today for sentence. The maximum penalty is 10 years in state prison. A strong effort will be made to induce Justice Bowling to extend to the veteran life insurance official the greatest possible clemency. The jury which convicted him unanimously recommended Dr. Gillette to the clemency of the court, and Justice Bowling has since received a mass of petitions from friends of the convicted man asking him to be lenient. Dr. Gillette has been on the point of breaking down ever since he was lodged in the Tombs last week. He is 67 years old and feeble. Friends say close confinement for any length of time would surely prove fatal to Dr. Gillette.

FATAL QUARREL.

VANCOUVER, B. C., Oct. 28.—James Chance died today at Princeton, B. C., having been shot last night by Walter Gross in a fight. Chance accused Gross of cheating and pulled toward himself a large sum of money lying on the table. Gross drew a pistol and emptied the contents into Chance's stomach.

PROMINENT TEMPLAR DEAD.

HOUSTON, TEX., Oct. 28.—Lucius T. Noyes, aged 26, past grand commander of the Knights Templar of Texas, and Eminent Commander of Ruthven Commandery in this city, died last night. He was born in Connecticut.

IMPORTANT APPOINTMENT.

NEW YORK, Oct. 28.—Announcement is made that Rev. John Kellar has been appointed to the important position of organization secretary of the Protestant Church in the Isthmus of Panama.

Rev. Mr. Kellar was rector of Trinity Chapel up to June last, when he resigned. Six years ago he figured in a sensational escapade and lost the sight of an eye as the result of a bullet wound inflicted by Thomas Barker, a member of his church. The shooting, it was alleged, at the time, was prompted by stories

Mrs. Barker told her husband. Investigations failed to verify the charges brought against the clergyman.

RHEUMATISM is caused by an excess of uric acid in the blood. Ask any reputable physician, ask your family doctor, and he will tell you that the Uric Acid must be dissolved and drawn from the system before the disease yields.

What Causes Rheumatism
