ported Daily.

Supplies of cream are said to be falling off, which would tend to stiffen the market, but it is not deemed advisable to raise prices at this time.

Eggs continue firm at prices ruling for the past week.

Fall varieties of applies are plenty, and some winter kinds have been received. On account of supplies being greater than the demands prices are lower than last week.

Hops are weak on account of condi-tions in the east, and not much improve-ment is looked for in less than one
