Good Roads' Convention—The Oregon Good Roads Association will hold its sixth annual convention at the rooms of the Portland Commercial Club, in Portland, upon the 14th and 15th of this month. President Welch of the Chamber of Commerce is in receipt of a letter from the secretary of the association, urging assistance, and inviting the Chamber to appoint five delegates to co-operate with the association for the betterment of its public highways. Prominent speakers from several states will address the convention, and on

Thursday, the 14th, a banquet will be held in the club rooms. An automobile ride to Kelly Butte and other points of interest will be furnished by Portland friends of the association. It is important that our citizens endeavor to the extent of their ability, in encouraging the good roads convention at this time as our projected automobile road will need the co-operation of the association, and it behooves us to send five representative citizens to that convention.

A Unique Inquiry

The Columbia Trust Co. has been sending out literature descriptive of Clatsop county's resources, and their incoming mail is increasing daily. One of the most unique replies they have received is the following, and the company will appreciate any answer that can be framed by an Astoria booster. The inquiry which is from Darien, N. Y., reads as follows: "Columbia Trust Co., Dear Sirs:—Yours received. In regard to the country, please answer the following: How many clear days and cloudy and rainy days in a year or about how many in summer? Is it damp or cold and in winter how is it? Any fog? Do you have catarrh or asthma and lung diseases? Is it as healthy as in the Sacramento of California? What are your most diseases you have? How many months do you have to wear underclothes? Please answer in full and oblige. Yours truly,

"J. WING."

The officials of the company are fully able to answer all the questions except that relating to underclothes, and on this they admit they are densely ignorant.
