FILIPINOS LAUD TAFT

Departure of Secretary Attended by Cheering Crowds.

ISLANDS HAVE GREAT FUTURE Secretary and Mrs. Taft Leave Manila on Way to Vladivostok and Will Start on Their Trans-Siberian Trip Next Week.

MANILA, Nov. 9.—The departure of Secretary of War Taft from this city on the cruiser Rainbow for Vladivostok today was attended by a remarkable demonstration on the part of the Filipinos. The horses were withdrawn from the carriage in which were seated Mr. and Mrs. Taft, and it was pulled by Manila school boys from the Luneta to the dock through cheering crowds of citizens.

Mr. Taft started from the residence of Governor-General Smith at 8 o'clock this morning. He reviewed the long military, civic and school parade on the Luneta at 9 o'clock, making a brief address in which he thanked the people for their reception, praised the course of the assembly and expressed his confidence in the future of the island.

Mr. Taft and party embarked at 11:30 a. m. and sailed at 11:50, the launch on which they were being escorted down the bay by a flotilla of harbor launches with military and civic officials on board to the Rainbow where they said their good-byes. Mr. Taft and party expect to arrive at Vladivostok on November 18 and to leave there on their trans-Siberian journey on November 19. All of the party were in the best of health.

In an interview with a representative of the A. P. before his departure, Mr. Taft said: "I feel deeply grateful for the reception and entertainment given me by the people of the Philippines. It far exceeds in its warmth and spontaneity, anything I expected, and I cannot sufficiently express my gratitude and satisfaction.

"The condition of affairs in the Philippine government is most satisfactory and taken throughout the progress made during the past two years is remarkable.

"From the first I had full confidence in the legislative assembly a confidence which has been justified by its actions. So far it has taken a conservative form and I have no doubt it will continue its useful, patriotic and diligent course. I have yet to hear or see a single member or apparently feel a full sense of the responsibility of his duties toward his constituents and country, and I am sure that conservatism, rather than radicalism will continue to mark the official conduct of this body.

"I leave the Philippines with renewed confidence in the future of the islands. What I have seen and heard on this trip has confirmed my opinions on the subject which I had previously formed, and have frequently expressed."

Three commissioners of the Chinese government who are investigating the economic conditions of the Chinese residents in the Philippines, arrived this morning and visited Mr. Taft on board the Rainbow a few minutes before she sailed under escort of two other cruisers. The Chinese commissioners will continue their tour of the Orient, and report their investigations to their government at Peking. They will remain in Manila a week or ten days.

Dancing Proves Fatal. Many men and women catch colds at dances which terminate in pneumonia and consumption. Mr. Robert O. Burke, Elnora, N. I had given up hope of living, when a friend recommended Foley's Kidney Cure. One 50 cent bottle worked wonders and before I had taken the third bottle the dropsy had gone, as well as all other symptoms of Bright's Disease." T. F. Laurin, Owl Drug Store.
