### A Money Disease.

It is comforting, in these moneyless times, to learn that the hateful stuff breeds death and disease if handled too much.

The statement is made on high medical authority that hundreds of men have contracted incurable maladies, and thousands have suffered temporary ills from infectious paper money. Edward H. Hall, handlers, is the latest victim, his death from myxedema, the disease caused by the germ which infest our paper currency, having occurred at St. Luke's Hospital.

Mr. Hall's death was due to his habit of wetting the tips of his fingers with his tongue. The infection spread to the blood, and in time a general thickening of the tissues followed. The thyroid gland was attacked, and from here it spread to the heart, the liver and the optic nerve, which it practically paralyzed. It is a puzzling disease, and the physicians were unable to stem its progress, although they identified the ailment.

Such facts offer the strongest possible argument for a system of quickly retiring and destroying paper money, as they do in most foreign countries. Europeans are amazed at what they call our "filthy money." Up to this writing however, no one has refused to accept any of it because it had not been laundered.

### A Significant Prayer.

"May the Lord help you make Bucklen's Arnica Salve known to all," writes J. G. Jenkins, of Chapel Hill, N. C. It quickly took the pain out of a felon for me and cured it in a wonderfully short time." Best on earth for sores, burns and wounds. 25 cents at Chas. Rogers & Son's Drug Store.

### DON'T EXPERIMENT.

You Will Make no Mistake if You Follow This Astoria Citizen's Advice.

Never neglect your kidneys. If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in Astoria. Follow the advice of an Astoria citizen and be cured yourself.

Wm. Joyce, 412 Duane street, Astoria, Oregon, says: "At the time I began using Doan's Kidney Pills, I was enduring a great deal of suffering from my kidneys. The secretions from these organs were so profuse as to give me a great deal of annoyance. As a result of not getting my proper rest at night, I would rise in the morning feeling more tired and weak than when I went to bed and during the day felt languid. The slightest exertion caused severe pains through my back and hips. I tried liniments and plasters but did not receive any relief. I then resorted to other remedies but still the results were unsatisfactory. At last my attention was drawn to Doan's Kidney Pills. I decided to give them a trial and procured a box at Charles Rogers' drug store. They helped me so much that I procured a further supply, used them and was entirely cured. I am now in unusually good health and do not hesitate to attribute same to the use of Doan's Kidney Pills."

Remember the name—Doan's—and take no other.

### High Class Burglary.

Speaking of burglary reminds one of "high finance," as practised in these parlous times. We have just been reminded of an edifying example of this modern game by the City National Bank (a Standard Oil institution) finally taking title to the old federal Custom House on Wall St., by which the Government lost upwards of \$2,000,000, and the city some \$400,000. The most casual study of this extraordinary transaction makes Mr. Harriman's milking of the Alton appear crude and childlike.

## HERINGTON'S TABLETS

Indigestion, Rheumatism, Diabetes, Kidney Diseases, Bladder Troubles, Liver complaints.

### A SURE KIDNEY AND LIVER CURE

Have you healthy kidneys? If not, you will soon be attacked with that terrible Diabetes, Bright's Disease, Gravel, Dropsy or Rheumatism, and your health and happiness ruined. We have the only treatment that is a sure cure for the dreaded Bright's Disease, Diabetes, and all other forms of Kidney and Bladder Troubles. If your kidneys are not healthy, if the bladder is inflamed and weakened, urine highly colored or cloudy, smarting in passing, pains in back, nervous, languid, depressed, weakened in body and mind, bowels constipated and digestion bad, write for a box of Herington's Tablets and be cured.

RHEUMATISM is caused by an excess of uric acid in the blood. Ask any reputable physician, ask your family doctor, and he will tell you that the Uric Acid must be dissolved and drawn from the system before the disease yields.

### What Causes Rheumatism

Now we say that the only medicine known that will actually dissolve this Uric Acid and carry it out of the body is Herington's Tablets. Local applications such as liniments, electricity, massaging, etc., will afford temporary relief only, and is time wasted to the injury of the patient, unless constitutional treatment is carried on at the same time. Why? Because the malady is a disease of the blood, and the blood must be freed of the cause—or no cure can follow.

WRITE TODAY—Fill in the coupon printed below and send it to us with 25 cents. We will immediately mail to you a liberal sized box of Herington's Tablets. If they fail to CURE you we will return your money as willingly as we took it. Our guarantee is, NO CURE, NO PAY.

## PORTLAND MARKET

Wholesale Price List as Reported Daily.

PORTLAND, Nov. 20.—The holiday trade is opening up, and while they do not expect it to attain the proportions it did last year, it is likely it will exceed that of other former years.

The butter market shows improvement in some quarters. Two of the outside creameries that maintain city branches have advanced their price from 30 to 32½ cents. A few days ago state creamery brands are going at the latter price, but most of the outside butter is selling at 27½ to 30 cents. The city creameries report a good buying movement and with the supply of cream decreasing, they consider the market on a firm basis.

Oregon ranch eggs are very scarce and this has led some of the jobbers to advance their quotations to 40 cents. Eastern eggs holds steady at the former range, though the supply is large.

Poultry receipts were very light yesterday. The market is in good condition to receive a moderate supply of chickens in the next few days. There is also a fair demand for ducks and geese. Live turkeys are not asked for. Advices from the country indicate there will be an adequate supply of turkeys for the Thanksgiving trade, but the extreme prices of last year are not likely to be repeated.

Navel oranges now coming to hand are beginning to show better color and the demand is steadily expanding. With improved conditions in California the local market also has a firmer tone. Another car of Jersey cranberries arrived yesterday and was quoted at \$11.50 per barrel. The demand for cranberries is very strong. A shipment of Almeria grapes was received. California grapes are cleaning up fairly well. Apples are also moving better.

There is a good inquiry for sweet potatoes, celery and all kinds of small vegetables, of which the present supply is ample. Choice potatoes are in good demand in the Southern markets and shippers are paying 60 to 75 cents per sack for quality, but the poor grades are neglected and weak. Some inferior Valley stock has been sold as low as 25 cents per bushel.
