DAIRY CONVENTION

Butter and Cheese Ask Fruits to Step Aside.

\$40,000 GIVEN IN PRIZES

Representatives From All Points in the State Will Attend Dairymen's Convention in Portland, December 12—Money Raised to Exploit Resources.

PORTLAND, Nov. 25.—"Please side step and give me the center of the stage," says the dairyman to the fruit grower, and continuing, the producer of butter and cheese has this to say. "We are all proud of Oregon's apples and pears. Glad you got the use of the great show windows in which to present yourselves to the admiring thousands, but you only come once a year, while we add a little to the wealth of Oregon every day of the three hundred and sixty-five."

"Oregon fruit's five million dollars yield for 1907 is great, but Oregon's dairy product, growing from nothing ten years ago to five millions in 1902 and seventeen millions in 1907, is going to give a grand entertainment in Portland December 12 and 13."

"Two floors of the big Woodmen's Hall at 11th and Alder have been engaged for that purpose, one for the exhibits and the other for the convention. The prizes offered are the greatest ever presented in the West. The program will be excellent. There will be a reception, with refreshments and music, at the Portland Commercial Club, the evening of the 12th."

"It is the farmer and the dairyman who should be present at this convention. All of the commercial bodies should have delegates present, and as the women of Oregon have made the state famous for its dairy products they will be especially welcome and some of the best papers on the program will be delivered by women."

"The exercises will open promptly at 10 o'clock Thursday morning, December 12, at Woodmen's Hall. Each and every paper will be discussed so that the practical points may be brought out. All delegates are urged to be present, however, an hour before the opening Thursday so as to register, receive badges, and get time to examine the exhibit in the large room just below the convention hall."

"The officers of the Oregon Dairy Association want you to come prepared to ask questions, to feel that you are present to be benefitted, and to appreciate that the discussion of the papers after they are delivered is more valuable than the papers themselves, for this character of discussion brings out all the strong points."

"The business men of Portland have put up money to insure the publication of the proceedings in the best possible manner, and to illustrate the same but only facts and vital information will be printed, and these are wanted from every district in Oregon. The railroads have made a rate of a fare and a third from every point in the State."

The Portland Country Club & Live Stock Association, recognizing the importance of the development of the live stock interests of this state, have arranged for the greatest fair yet held west of the Missouri River, for 1908. There are \$40,000 in prizes, equalling those offered by the Lewis & Clark Ex-

RETIRED BUSINESS MAN FAVORS NEW THEORY

E. H. Lambert, of Everett, Massachusetts, Believes Stomach the Seat of Life.

One of the most interesting statements made recently concerning the much discussed Cooper theory, that has spread over the country during the past year, is made by E. H. Lambert, a retired business man, whose home is at 115 Francis Street, Everett, Mass. Mr. Lambert has this to say in connection with Cooper and his medicines: "Some time ago I read an article about this man Cooper, in which he claimed that stomach trouble was directly responsible for most ill health. He went on to say that, although his medicine did nothing but get the stomach in sound condition, it would, in many cases, remove kidney and liver trouble and various other ailments. He argued from this that the stomach was the main cause of sickness, and stated that the success he has had with his medicines was due entirely to this fact. "I am now fully convinced that this theory is correct, and believe Cooper has a really remarkable medicine judging from my own experience."

"I have been a sick man for five years. Three years ago I was told by a physician that I had Bright's disease of the kidneys. I have treated constantly for this trouble since, without results. After reading the article I have mentioned, I purchased some of this man Cooper's medicine. I have been astounded by what it has done for me. I was relieved to some extent within 24 hours. Today my health is better than for five years, and so far as I can tell, my kidney trouble has disappeared. "My wife, who had stomach trouble for some time, tried the preparation after noting its action in my case, and her improvement is fully as marked as mine. She now eats heartily three times a day without any distress whatsoever. Her nervousness has also left her. I certainly believe this man's success is fully justified, as he undoubtedly has a wonderful medicine." We will gladly describe the remarkable record made by the Cooper medicines to all who wish to know of them. —Chas. Rogers and Son.

Temperance Protest—The Women's Christian Temperance Union have addressed a protest to the city council against the further issuance of saloon licenses on Commercial street. The protest in full is as follows: To the Mayor and Common Council, Astoria, Oregon.

Gentlemen:—The Women's Christian Temperance Union, believing that the best interests of the city demand that there should be no nearer encroachments by the saloon business upon the residential territory, and that there should be, at least, a few blocks on Commercial street where, to do shopping, women and children will not have to encounter the saloon and its by-products, we, therefore, pray your honorable body to grant no saloon licenses on Commercial street west of Tenth street, and that no saloon licenses be granted in territory south of

Commercial street, and that in the future your honorable body work toward decreasing the number of saloons in the retail districts of our city. Believing that we are voicing the wishes of a large proportion of the best citizens, for these petitions we will ever pray. Signed, S. A. EASTABEND, President, M. H. LEINENWEBER, Secretary. Astoria, Oregon, Nov. 22, 1907.
