FREEMASON TEMPLE

Notable Architectural Addition to
Brooklyn.

NEW TEMPLE TO BE FIRE PROOF

Hollow Terra Cotta Blocks to be Used
in Construction Tested to High De-
gree of Heat—Fifteen Thousand Ma-
sons Assist at Laying of Cornerstone.

NEW YORK, DEC. 18.—Now that
the Freemasons have laid the corner-
stone of their Brooklyn Temple, work
on the \$300,000 building will be pushed
rapidly to completion. It is going to be
not only a notable architectural addition
to Brooklyn, but a source of pride to
the entire Masonic fraternity.

Fifteen thousand masons gathered
at the laying of the cornerstone of the
new building at Lafayette and Clermont
Avenues. Speeches were made by Bis-
hop Potter, Lieutenant Governor Chan-
ler and the Grand Master, Supreme
Court Judge Townsend Scudder. This
edifice is the result of the concerted
labors of thousands of Masons. The
Brooklyn Masonic Guild was organized
to take charge of the venture. Asylums,
homes and schools will be aided by the
money derived from the rent of the au-
ditorium, banquet hall and lodge rooms.
The new temple will be indestructible
by fire, which will have little or no ef-
fect upon it. Hollow terra cotta blocks,
each having been tested in a 2000 degree
blaze and capable of resisting the fiercest
heat, will protect the steel columns.
The partitions too, will be of the same
unburnable "hollow tile."

Below the street level is to be the
banquet hall. The auditorium, seating
1000 persons, will be, on the ground
floor. The second and third floors will
be given up to lodge rooms, and in the
fourth will be a large chamber for the
Shrine, Consistory and other large
bodies.

The eighty two Masonic bodies in
Brooklyn have a membership of about
17,000.

TECHNICAL EDUCATION.

Best Obtained at Workshop or Factory
Bench.

CHICAGO, DEC. 18.—R. T. Crane, Sr.,
a millionaire manufacturer, who has
founded several courses in manual train-
ing in the grade schools of Chicago,
takes firm and advance ground on the
futility of all special education for men
about to enter the industrial field.

Mr. Crane wrote a paper on technical
education which was read at the meet-
ing of the Western Railway Club last
night.

Graduates of technical schools had
wasted their time, he said. The great
positions in the world of mechanics are
filled from the clerk and mechanic
ranks. All that is needed is the proper
foundation in the grade schools and then
the shop course.

After outlining his ideas along these
lines Mr. Crane asked:
"Why do men like Carnegie and Ar-
mour put their money into the technical
schools when their money was made by
men who had no such education?"

Continuing, he said:
"I oppose the technical education be-
cause I have seen no practical results
from it. These schools are built and
managed by impracticable people. It is
time wasted to attend them. It is a
drawback in nearly every mechanical
line. The best education is long expe-
rience and observation in an up-to-date
factory. It is rare to find instances
where the technical man has advanced
materially in the building up of great
enterprises. Four years in the shop is
the training to get."

CONFIRMED PROOF.

Residents of Astoria Cannot Doubt What
Has Been Twice Proved.

In gratitude for complete relief from
aches and pains of bad backs—from dis-
tressing kidney ills—thousands have pub-
licly recommended Doan's Kidney Pills.
Residents of Astoria, who so testified
years ago, now say their cures were
permanent. This testimony doubly proves
the worth of Doan's Kidney Pills to As-
toria kidney sufferers.

D. E. Duncan, Astoria, Oregon, says:
"For a number of years I suffered from
kidney complaint which manifested itself
in many disagreeable ways. I had a
constant dull aching in the small of my
back, which at times was very hard to
endure. My kidneys were too fre-
quent in action and the secretions
caused me much annoyance. I often
had a feeling of uneasiness in the small
of my back which often extended into
my shoulders. Hearing of Doan's Kid-
ney Pills, I procured a box at Chas.
Rogers' drug store and received imme-
diate relief. I continued using them
and was soon free from the complaint."
(From statement given February 14
1903.)

A Permanent Cure.

On September 3, 1907, Mr. Duncan

confirmed the above, saying: "I can
add nothing to my statement made in
1903 except that I have not had the
slightest symptom of kidney complaint
since that time. I can recommend
Doan's Kidney Pills as a reliable
remedy for kidney complaint.
