HEARING ON WOMEN SMOKING.
NEW YORK, Jan. 18.—If there is anyone in New York who is willing to come to the defense of women who desire to smoke in public restaurant, he or she, will have an opportunity to be heard on Monday, when the committee on laws and legislation of the Board of Aldermen will give a public hearing on the ordinance introduced by Alderman Sullivan making it a misdemeanor for restaurant or hotel keepers to allow women to smoke in public rooms. The ordinance is the result of the recent action of several Broadway restaurants in removing the ban on women smoking in the public dining rooms.

SEWED MONEY IN HIS VEST.
NEW YORK, Jan. 18.—Burglars chloroformed the seven members of Herman Grauger's family in their home in Twenty-second street and carried away \$1,650 in cash and Grauger's watch worth \$75. Grauger had no use for banks and so sewed up his money in the lining of his vest. After chloroforming the members of the family, while asleep, burglars ripped the seams in the vest and got away with the money. Shortly afterward the seven members of James Bergin's family, who live in Twenty-first street, were also chloroformed. The burglars here only secured a watch and chain and \$14 in money.

BETTER THAN SPANKING.
Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W., Notre Dame, Ind., will send free to any mother her successful home treatment, with full instructions. Send no money, but write her today if your children trouble you in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.

Lame Shoulder Cured.
Lame shoulder is usually caused by rheumatism of the muscles and quickly yields to a few applications of Chamberlain's Pain Balm. Mrs. F. H. McElwee, of Bolstown, New Brunswick, writes: "Having been troubled for some time with a pain in my left shoulder, I decided to give Chamberlain's Pain Balm a trial, with the result that I got prompt relief."
