LITTLE CARLTON KAEMER.

The Kidnaped Kid is Home Again After Three Months.

NEW YORK, Jan. 29.—Little four year-old Carlton Kremer slept in his own trundle bed last night after an absence from his home which lasted three months and which was filled with more excitement than comes in the entire lifetime of most people. Kidnaped from his foster parents by his mother, the boy was smuggled away from New York to Boston and thence by way of various towns to Canada, returning to Boston a few days ago, he was found by his foster mother after the police had forced in a door and overcome the male relatives of the boys real mother. When Mrs. G. Clarke's husband obtained a divorce from her, three years ago their little son Carleton was adopted with their permission by Clarke's friend, Dr. Kremer, of 8707 Lexington Avenue, New York. He was taught to regard Dr. and Mrs. Kremer as his father and mother. Last October, while walking with Dr. Kremer's sister, the boy was seized by Mrs. Clark, who, it is said, had made several attempts to recover him from the Kremers. He was taken into a wait-ing cab and rushed to a railway sta-tion, from which he was taken to Bos-ton. The Kremers secured a warrant for Mrs. Clarke's arrest and she was followed to Boston. When the of-ficers arrived there, however, she had again fled and it was only after a long search personally directed by Mrs. Kremer that they were located in Canada. A few days ago they returned to Boston and accompanied by police officers, Mrs. Kremer went to the home of Mrs. Clarke's parents. Ad-mission was refused, Mrs. Kremer said, and the door was broken open. While the officers were overcoming the men in the house, according to Mrs. Kremer's story, she heard the boy's voice and found him in an ad-joining room. Mrs. Clarke was ar-rested and the boy was turned over to Mrs. Kremer, who brought him back to New York last night. Dr. and Mrs. Kremer say they will not prosecute Mrs. Clarke if she agrees not to again attempt to secure the boy.

How to Avoid Appendicitis.

Most victims of appendicitis are those who are habitually constipated. Orino Laxative Fruit Syrup cures chronic constipation by stimulating the liver and bowels and restores the natural action of the bowels. Orino Laxative Fruit Syrup does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes. T. R. Laurin, Owl Drug Store.

What Word is it which, by chang-ing a single letter, becomes its own opposite? United; untied.

Special Announcement Regarding the National Pure Food and Drug Law

We are pleased to announce that Foley's Honey and Tar for coughs, colds and lung troubles is not affected by the National Pure Food and Drug law as it contains no opiates or other harmful drugs, and we recommend it as a safe remedy for children and adults. T. F. Laurin, Owl Drug Store.

What contains more feet in winter than in summer? A skating rink.

Simple Remedy For La Grippe

La grippe coughs are dangerous as they frequently develop into pneumonia. Foley's Honey and Tar not only stops the cough but heals and strengthens the lungs so that no serious results need be feared. The genuine Foley's Honey and Tar contains no harmful drugs and is in a yellow package. Refuse substitutes.

Butte positively refuses to be placed under the lid.

How to Avoid Pneumonia

You can avoid pneumonia and other serious results from a cold by taking Foley's Honey and Tar. It stops the cough and expels the cold from the system as it is mildly laxative. Refuse any but the genuine in the yellow package. T. F. Laurin, Owl Drug Store.

When does a farmer have the best opportunity of overlooking his pigs? when he has a sty on his eye.

A Card

This is to certify that all druggists are authorized to refund your money if Foley's Honey and Tar fails to cure your cough or cold. It stops the cough, heals the lungs and prevents serious re-sults from a cold. Cures la grippe coughs and prevents pneumonia and con-sumption. Contains no opiates. The genuine is in a yellow package. Refuse substitutes. T. F. Laurin, Owl Drug Store.

DID HE PROVIDE FOR PEARY.

NEW YORK, Jan. 29.—Whether one of the bequests in the will of the late Morris K. Jessup make provi-sions for aiding Commander Robert E. Peary's plans for further Polar exploration, seems still to be an open question. The will has not yet been filed for probate and C. B. Strong, secretary to the late banker and one of the executors of his will, declines to say whether or not one of the clauses in the testament not yet made public would provide any funds for furthering the Peary exploration plans.

Constipation, or irregularity, is very often the cause of sick-headache. Lane's Family Medicine is the great preventive and cure of headache. Druggists sell it for 25 cents.

Secretary Taft plays ball like a man who has the game well in hand.

Fever Sores.

Fever sores and old chronic sores should not be healed entirely, but should be kept in healthy condition. This can be done by applying Chamberlain's Salva. This salve has no superior for this purpose. It is also most excellent for chapped hands, sore nipples, burns and dis-eases of the skin. For sale by Frank Hart and leading druggists.

Basket ball is a fine game in that it enables football sluggers to keep in training through the winter.

Stomach Trouble Cured.

If you have any trouble with your stomach you should take Chamberlain's Stomach and Liver Tablets. Mr. J. P. Klote, of Edina, Mo., says: "I have used a great many different medicines for stomach trouble, but find Chamber-lain's Stomach and Liver Tablets more beneficial than any other remedy I ever used." For sale by Frank Hart and lead-ing druggists.

In one respect Astoria people are unanimous—they are all glad to get back home if they go away.

Lame Shoulder Cured.

Lame shoulder is usually caused by rheumatism of the muscles and quickly yields to a few applications of Chamber-lain's Pain Balm. Mrs. F. H. McElwee, of Bolstown, New Brunswick, writes: "Having been troubled for some time with a pain in my left shoulder, I de-cided to give Chamberlain's Pain Balm a trial, with the result that I got prompt relief." For sale by Frank Hart and lead-ing druggists.

Lisbon is filled with disquieting rumors; the city will be all right un-less they mix bombs with the rumors.

Don't Take the Risk.

When you have a bad cough or cold do not let it drag along until it becomes chronic bronchitis or develops into an attack of pneumonia, but give it the attention it deserves and get rid of it. Take Chamberlain's Cough Remedy and you are sure of prompt relief. From a small beginning the sale and use of this preparation has extended to all parts of the United States and to many foreign countries. Its many remarkable cures of coughs and colds have won for it this wide reputation and extensive use. Sold by Frank Hart and leading druggists.

When may a man be said to be liter-ally immersed in his business? When giving a swimming lesson.

The Pure Food Law.

Secretary Wilson says, "One of the objects of the law is to inform the con-sumer of the presence of certain harm-ful drugs in medicines." The law re-quires that the amount of chloroform, opium, morphine, and other habit form-ing drugs be stated on the label of each bottle. The manufacturers of Chamber-lain's Cough Remedy have always claim-ed that their remedy did not contain any of these drugs, and the truth of this claim is now fully proven, as no mention of them is made on the label. This remedy is not only one of the safest, but one of the best in use for coughs and colds. Its value has been proven be-yond question during the many years it has been in general use. For sale by Frank Hart and leading druggists.
