THE VALUE OF PERSONAL KNOWLEDGE

Personal knowledge is the winning factor in the culminating contests of this competitive age and when of ample character it places its fortunate possessor in the front ranks of

The Well Informed of the World.

A vast fund of personal knowledge is really essential to the achievement of the highest excellence in any field of human effort.

A Knowledge of Forms, Knowledge of Functions and Knowledge of Products are all of the utmost value and in questions of life and health when a true and wholesome remedy is desired it should be remembered that Syrup of Figs and Elixir of Senna, manufactured by the California Fig Syrup Co., is an ethical product which has met with the approval of the most eminent physicians and gives universal satisfaction, because it is a remedy of

Known Quality, Known Excellence and Known Component Parts and has won the valuable patronage of millions of the Well Informed of the world, who know of their own personal knowledge and from actual use that it is the first and best of family laxatives, for which no extravagant or unreasonable claims are made.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent family laxative. As its pure laxative principles, obtained from Senna, are well known to physicians and the Well Informed of the world to be the best we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of—Syrup of Figs—and to get its beneficial effects, always note, when purchasing the full name of the Company—California Fig Syrup Co.—printed on the front of every package, whether you call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna.

SIMPLE WASH CURES ECZEMA.

Itching, Burning Skin Disease Routed
Without Use of Injurious Drugs.

Great inventors often have been praised for surrendering the secrets of their discoveries. Practically the same thing happening in the medical world in the case of Dr. Decatur D. Dennis, the eminent skin specialist of Chicago.

Dr. Dennis, in his own office practice, discovered that pure vegetable oil of wintergreen, properly mixed with other simple remedies was practically a sure specific for Eczema, psoriasis, barber's itch, salt rheum, and other itching skin diseases. But the oil of wintergreen alone was found ineffective. It required other mild ingredients such as glycerine and thymol compounded with the wintergreen to produce the real eczema cure.

This compounded D. D. D. Prescription positively takes away the itch at once—the instant it is applied to the skin. This vegetable liquid does away with deleterious drugs so long used in an attempt to doctor the blood, whereas modern science has determined that eczema is first and all the time a skin disease.

If you want to know more about the merits of D. D. D. Prescription, call at our store. We vouch for this remedy. Charles Rogers & Son.
