ABRAHAM LINCOLN.

CHICAGO, Feb. 21.—The Lincoln Centenary Association was organized last night with a view of celebrating the one hundredth anniversary of the birth of Abraham Lincoln on February 12, 1909 in a manner that will command world wide attention.

The charter members include men of the most prominent professional and business men in Chicago. They are representatives of the club, the Association of Commerce and the Illinois manufacturing Association.

The purpose of the organization is to take the Lincoln centenary observance an event of international prominence. Plans were suggested for a permanent memorial to the memory of the great emancipator in the form of a great building—a temple of patriotism.

It is proposed to devote one week to the celebration of the Lincoln centenary. Governors and congressmen and prominent men from every state in the union will be invited to participate and the same formal invitation will be extended to admirers of Lincoln.

FOR YOUR SUNDAY DINNER

try the following delightful dessert: 1/2 cup English Walnut meats. 1/2 doz. figs, cut up fine. 1 1/2c. package JELL-O, any flavor. Dissolve the JELL-O in a pint of boiling water. When cool and just commencing to thicken stir in the figs and nuts. Serve with Whipped Cream. Delicious. The walnuts, figs and JELL-O can be bought at any good grocery. This makes enough dessert for a large family and is very economical.

My Name..... My Address..... My Druggist's Name.....

Why He Was Happy. He was a baldheaded bachelor, whose heart for the first time had been moved by the tender passion.

"Then you confess," he said in a trembling voice to the object of his regards, "that you like me a little—that you admire certain qualities of my head?"

"Yes," shyly responded the young lady. "And may I ask," he continued in a tone of emotion, "what those qualities are?"

"I can hardly explain," said the young lady bashfully, "but I think it is because your head is so mellifluous. I can't express it more clearly."

"And you can never know how I appreciate your high opinion," exclaimed the happy bachelor as he pressed her hand. He didn't know just what "mellifluous" meant, but he was sure it was the synonym for something grand and ennobling, and when he bade her good night he rushed eagerly home, excitedly took down the dictionary and turned feverishly to the endeared word.

His blood changed to ice as he read, "Smooth, soft, mellow."
