

GOING WITH A RUSH!

Yesterday, Saturday, February 22 marked the opening of the greatest sale ever held in Astoria. At 9 a. m. the doors of the **HERMAN WISE** Clothing and Furnishing Store were thrown open and the stock left at the mercy of the buying public. All day the store was packed with bargain seekers. Enough Clothing, etc. was sold—you would think—to clothe a regiment, while the way the crowds pushed and clamored for bargains was almost enough to turn the heads of the salespeople.

Even greater results are expected for the coming week. Such prices will be made as were never before attempted by man. Mr. Wise has employed **LEWIS BROS. & CO.** of Spokane, sale specialists, to take charge of the sale, and they will make every effort to dispose of the remainder of the stock in the required 15 days.
