Prof. H. A. Howell, of Havana, Cuba, Recommends Chamberlain's Cough Remedy.

"As long ago as I can remember my mother was a faithful user and friend of Chamberlain's Cough Remedy, but never in my life have I realized its true value until now," writes Prof. H. A. Howell, of Howell's American School, Havana, Cuba. "On the night of February 3rd our baby was taken sick with a very severe cold, the next day was worse and the following night his condition was desperate. He could not lie down and it was necessary to have him in the arms every moment. Even then his breathing was difficult. I did not think he would live until morning. At last I thought of my mother's remedy, Chamberlain's Cough Remedy, which we gave, and it afforded prompt relief, and now, three days later, he has fully recovered. Under the circumstances I would not hesitate a moment in saying that Chamberlain's Cough Remedy, and that only, saved the life of our dear little boy." For sale by Frank Hart and leading druggists.

The Palace Restaurant.
 The ever-increasing popularity of the Palace Restaurant is evidence of the good management, and the service, at this popular dining room. For a long-time the reputation of the house, has been of the best and it does not wane as time progresses. The system used, that of furnishing the finest the market affords, and all can be obtained, in season, is a plan that will always win, coupled as it is with the best of cooking and prompt service. A common saying nowadays is "Get the Palace habit."

The Commercial.
 One of the coziest and most popular resorts in the city is the Commercial. A new billiard room, a pleasant sitting room and handsome fixtures all go to make an agreeable meeting place for gentlemen, there to discuss the topics of the day, play a game of billiards and enjoy the fine refreshments served there. The best of goods are only handled, and this fact being so well known, a large business is done at the Commercial, on Commercial street, near Eleventh.
