

FAVORITES ARE NOW BEGINNING TO SHOW SPEED

Favorites Are Working Hard and Meeting With Success

Now is the time to get in a few votes. The contest is fairly on its way and the people all over the country are aroused to meet the demands made upon them by the young ladies who are soliciting votes. If a little effort is displayed the people will be glad to help you, and you will find getting subscriptions not at all burdensome. In fact, it will grow to be a pleasure. There are so many and peculiar incidents that happen in a day while out after votes that you will be sorry when the contest is over and wonder why some one else had not launched the scheme long ago.

The manager of the contest department feels that the support already given has honestly been earned. While the contest is in its infancy get out among the people and friends and relatives and do a little talking. You will grow to enjoy it and the experience thus gained is worth much. If you don't get the subscriptions some one else will, as Astoria and the adjacent country will be scoured as though scratched with a fine-tooth comb in the endeavor to get possible subscribers. While the affair is just getting started get out and do your little work on the quiet and then spring the surprise. A reserve will do lots of good, and it can best be acquired by getting people to subscribe to The Astorian.

Many people are willing to help the contestants and are only waiting to be asked. The first candidates to ask for the subscriptions are the ones who will get them and the votes that go with them, so it is imperative that those who desire to enlarge their count get among the people and make their cause known.

There is a ballot box in the Astorian office where the votes may be deposited for any young ladies whom you may see fit to vote for. If you cannot bring the ballots to the office, send them in by mail to the Contest Manager and the votes will be accorded to the young lady for whom they are intended. The votes are counted twice, so there can be no mistake as to the proper number of ballots accorded to each candidate. The votes are always open for inspection to insure a fair deal.

HOW TO WIN.

Any young lady who desires to enter this great contest and win one of the magnificent prizes offered, should at once see that her name is sent to the contest manager. All that is necessary to win a prize is to receive the largest number of votes according to the condition mentioned elsewhere in this announcement.

Candidates should at once interest their friends in the contest and by united and energetic action induce as many people as possible to vote for them. Each nomination coupon cut from the Astorian will count for five votes for a candidate.

The nomination coupon will only appear for a few days. The easiest and quickest way to win is for candidates to ask their friends to prepay their subscription for six to twelve months. It costs the subscriber nothing extra to do this and they are saved the annoyance of weekly and monthly collections. By so doing you receive a special vote ballot which is good any time during the contest.

Orders for the prizes will be given the successful contestants at the close of the contest; same may be used by the contestant herself or disposed of in any manner she may see fit.

Any young lady residing in the above mentioned territory is eligible to compete in this contest.

Anyone who desires to vote in this contest may do so by ballots cut from the Daily and Weekly Astorian, or by special vote coupons obtained by subscribing to the Astorian. The coupons secured by subscribing to the Astorian may be held as long as desired and voted at any time up to the desired close of the contest, but ballots cut from the Astorian are only good for one week from publication and will not be counted if voted after the date printed on the ballot.

Persons living in one district are not confined to voting for ladies in their own particular district, but may vote for anybody in the race.

INSTRUCTIONS FOR VOTING.

Enter the name of the lady whom you wish to secure one of these magnificent rewards in this contest at once. She may win an automobile, piano, a free trip, or one of the valuable scholarships. Better still, get the lady to enter her name and then vote for her. Those who get in on the start have the best chance of winning, so it is desirable that the names be entered at once in order to get a good start. Candidates who enter this contest do not necessarily have to be subscribers of the Astorian. Enter your name and your friends will do the rest. You will be surprised to see how rapidly the votes will come in, and what little efforts is necessary to win one of the rewards offered. Get in on the start and encourage your friends to vote for you; the rest will be easy. You will never know how popular you are until you enter a contest of this kind.

DISTRICTS.

The districts will be divided as follows: First district will include all the City of Astoria east of Twenty-second street; second district will include all the City of Astoria east of Ninth street to Twenty-second; third district will include all the City of Astoria west of Ninth street to city limits; fourth district will include all the towns in and around Ilwaco and Chinook; fifth district will include the towns of Hammond, Warrenton and Seaside.

HOW THE PRIZES WILL BE DISTRIBUTED.

The automobile will be awarded to the young lady receiving the largest number of votes in the five districts. The piano the second grand prize will be awarded to the young lady receiving the second largest vote in the five districts. The trips—one in each district—the lady standing second, will receive the scholarship and the third will each receive the gold watch.
