

No Lack of Interest in Voting Contest

Three Days Remain to Secure the Extra Ballots---Why Not Get This Extra Ballot---It Only Means a Few New Years

Only three days more for the contestants in the Astorian's popular voting contest to secure extra votes with very little effort. Twenty thousand extra votes will be given to each and every contestant who turns in five new yearly subscriptions to the Daily Astorian between now and Monday, May 18, 1908. Fifty thousand extra votes will be given to each and every contestant who turns in ten new yearly subscriptions to the Daily Astorian during this offer.

Five thousand extra votes will be given to each and every contestant who turns in five new six months' subscriptions to the Daily Astorian.

This affords each and every contestant the greatest chance to secure extra votes and at the same time catch the leaders.

This is your chance to catch the leaders. Take advantage of it. You can get 20,000 votes by a very little effort on your part. These extra votes might be the means of your winning one of the prizes you are after.

Do not hold back the subscriptions but turn them into the contest manager as soon as you secure them and secure the extra ballot. If turned in for you by other parties before 8 p. m., May 18, you will receive the proper credit, as the contest manager will keep an accurate account of all subscriptions turned in this week and will issue the extra ballots Tuesday, May 19.

The leaders are doing some excellent work and the others are following in hot pursuit.

Only three days more remain to take advantage of the special offer.

Votes issued in connection with subscriptions may be held until the last day of the contest, while the daily voting coupons must be sent in within a week of the date on which they were issued.

There is a ballot box in the Astorian office where the votes may be deposited for any young ladies whom you may see fit to vote for. If you cannot bring the ballots to the office, send them in by mail to the Contest Manager and the votes will be accorded to the young lady for whom they are intended. The votes are counted twice, so there can be no mistake as to the proper number of ballots accorded to each candidate. The votes are always open for inspection to insure a fair deal.

HOW TO WIN.
The easiest and quickest way to win is for candidates to ask their friends to prepay their subscription for 6 to 12 months. It costs the subscriber nothing extra to do this and they are saved the annoyance of weekly and monthly collections. By so doing you receive a special vote ballot which is good any time during the contest.

Orders for the prizes will be given the successful contestants at the close of the contest; same may be used by the contestant herself or disposed of in any manner she may see fit.

Any young lady residing in the above mentioned territory is eligible to compete in this contest.

Anyone who desires to vote in this contest may do so by ballots cut from the Daily and Weekly Astorian, or by special vote coupons obtained by subscribing to the Astorian. The coupons secured by subscribing to the Astorian may be held as long as desired and voted at any time up to the desired close of the contest, but ballots cut from the Astorian are only good for one week from publication and will not be counted if voted after the date printed on the ballot.

Persons living in one district are not confined to voting for ladies in their own particular district, but may vote for anybody in the race.

The offer affords the girls of Astoria and surrounding territory an excellent opportunity to travel or receive a business education at the expense of the Astorian.

FRANK J. DONNERBERG.

Frank J. Donnerberg, who several months ago opened a handsome jewelry store at 574 Commercial street, has won a reputation that has brought him what is perhaps the best trade in the city. After 16 years' experience in the large jewelry and watchmaking stores of San Francisco and Portland. Mr. Donnerberg came to Astoria and opened a small place at 110 Eleventh street, confining himself largely to repairing watches, and carrying a small stock of jewelry and watches. His customers found him a good watchmaker and discovered they were given fair treatment and patronized him liberally, enabling him to increase his stock rapidly. Mr. Donnerberg is a broad-minded business man, and his up-to-date stock includes all the newest styles which he purchases from New York and San Francisco wholesalers, and his establishment is a credit to the city.
