### PORTLAND MARKETS

Quotations in the Portland Market.

Complete Market Reports Corrected Each Day Giving the Wholesale Prices of Commodities, Farm Produce, and Vegetables.

Fresh salmon was quoted slightly higher at 10 cents a pound today, and it is not at all improbable that there will be a further advance soon. Dealers report light receipts from the Willamette River and the catch on the Columbia thus far this season has not been up to the expectations of the fishermen. Other fish today were in fair supply and prices were unchanged.

The best grades of country creamery butter tend to accumulate, according to Front street dealers, while the brands that move at 20 to 22 cents are fairly active. City creamery stocks continue to clean up well at the new price but it is predicted in many quarters that prices will drop back a cent or two about the first of June.

#### More News From the New England States.

If any one has any doubt as to the virtue of Foley's Kidney Cure, they need only to refer to Mr. Alvin H. Stimpson, of Willamantic, Conn., who, after almost losing hope of recovery, on account of the failure of so many remedies, finally tried Foley's Kidney Cure, which he says was "just the thing" for him, as four bottles cured him completely. He is now entirely well and free from all the suffering incident to acute kidney trouble. T. F. Laurin, Owl Drug Store.
