The Twenty Vote Coupon Appears in This Issue--Votes Will Be Counted at 8 a. m. Every Morning--The Contest Is More Alive Than Ever

Now that the two grand prizes are in town and on display, the contest is more than ever alive, and the contestants, and their friends, are out to win one of these grand prizes or "know the reason why!"

Don't get discouraged, what ever you do, as the contest is at its best now, and there are three long weeks remaining in which to get votes and that means a long time, in a contest of this kind.

You will find it much easier to get subscriptions, now that the two grand prizes are in town, the automobile and piano and the people have seen them and examined them, and they all know they are worth the effort.

The automobile was given a good test over some of the steepest hills in and around Astoria, and we had no trouble in making them all, which goes to show that the car is what it was represented to us, and we will say all who rode in it and examined it were more than pleased.

The piano is also a beautiful prize, and can be seen at any time in the window of P. A. Stokes' Dry Goods store on Commercial street. Those who have seen it, and they are many (as every one that passes the window stops and takes a look), are surprised and delighted. It has been said by many, how can they give away much costly prizes? and "what do they expect to make out of it?"

That can be very easily explained. As far as making any money out of this proposition, it is out of the question, as we did not put on this contest make money; but to increase our circulation; that is what we are after; if we can take in enough to pay for the costly prizes we are offering, we will be more than satisfied.

This is a costly proposition on our part, and the chances are it will never happen again. So, grasp the opportunity while it presents itself. You will never regret it.

There is a ballot box in the Astorian office where the votes may be deposited for any young ladies whom you may see fit to vote for. If you cannot bring the ballots to the office, send them in by mail to the Contest Manager and the votes will be accorded to the young lady for whom they are intended. The votes are counted twice, so there can be no mistake as to the proper number of ballots accorded to each candidate. The votes are always open for inspection to insure a fair deal.

### HOW TO WIN.

The easiest and quickest way to win is for candidates to ask their friends to prepay their subscription for 6 to 12 months. It costs the subscriber nothing extra to do this and they are saved the annoyance of weekly and monthly collections. By so doing you receive a special vote ballot which is good any time during the contest.

Orders for the prizes will be given the successful contestants at the close of the contest; same may be used by the contestant herself or disposed of in any manner she may see fit.

Any young lady residing in the above mentioned territory is eligible to compete in this contest.

Anyone who desires to vote in this contest may do so by ballots cut from the Daily and Weekly Astorian, or by special vote coupons obtained by subscribing to the Astorian. The coupons secured by subscribing to the Astorian may be held as long as desired and voted at any time up to the desired close of the contest, but ballots cut from the Astorian are only good for one week from publication

and will not be counted if voted after the date printed on the ballot.

Persons living in one district are not confined to voting for ladies in their own particular district, but may vote for anybody in the race.

The offer affords the girls of Astoria and surrounding territory an excellent opportunity to travel or receive a business education at the expense of the Astorian.

### DISTRICTS.

The districts will be divided as follows: First district will include all the City of Astoria east of Twenty-second street; second district will include all the City of Astoria east of Ninth street to Twenty-second; third district will include all the City of Astoria west of Ninth street to city limits; fourth district will include all the towns in and around Ilwaco and Chinook; fifth district will include the towns of Hammond, Warrenton and Seaside.

### HOW THE PRIZES WILL BE DISTRIBUTED.

The automobile will be awarded to the young lady receiving the largest number of votes in the five districts. The piano the second grand prize will be awarded to the young lady receiving the second largest vote in the five districts. The trips—one in each district—the lady standing second, will receive the scholarship and the third will each receive the gold watch.

### FRANK J. DONNERBERG.

Frank J. Donnerberg, who several months ago opened a handsome jewelry store at 574 Commercial street, has won a reputation that has brought him what is perhaps the best trade in the city. After 16 years' experience in the large jewelry and watchmaking stores of San Francisco and Portland, Mr. Donnerberg came to Astoria and opened a small place at 110 Eleventh street, confining himself largely to repairing watches, and carrying a small stock of jewelry and watches. His customers found him a good watchmaker and discovered they were given fair treatment and patronized him liberally, enabling him to increase his stock rapidly. Mr. Donnerberg is a broad-minded business man, and his up-to-date stock includes all the newest styles which he purchases from New York and San Francisco wholesalers, and his establishment is a credit to the city.
