

Would You Like a Splendid Automobile?

Morning Astorian's Marvelous Contest Paves the Way for You

Here you are with a Grand Special Prize of 85,000 votes to be given away by June 8, for the one that turns in the largest number of new yearly subscribers and paid in advance old subscribers, two yearly old subscribers to count as one new.

The prizes will be given as follows: 50,000 votes to the candidate turning in the greatest amount.

25,000 votes to the candidate turning in the second largest number of votes.

15,000 votes to the candidate turning in the third largest number of votes.

During this special offer all votes will be counted double both for old and new subscribers of three months or over as will be seen by advertisement.

Now is the time to get busy. Remember that this grand offer will never be repeated and you may be able in the next eight days to get enough votes to win one of the grand prizes.

There is a ballot box in the Astorian office where the votes may be deposited for any young ladies whom you may see fit to vote for. If you cannot bring the ballots to the office, send them in by mail to the Contest Manager and the votes will be accorded to the young lady for whom they are intended. The votes are counted twice, so there can be no mistake as to the proper number of ballots accorded to each candidate. The votes are always open for inspection to insure a fair deal.

HOW TO WIN.

The easiest and quickest way to win is for candidates to ask their friends to prepay their subscription for 6 to 12 months. It costs the subscriber nothing extra to do this and they are saved the annoyance of weekly and monthly collections. By so doing you receive a special vote ballot which is good any time during the contest.

Orders for the prizes will be given the successful contestants at the close of the contest; same may be used by the contestant herself or disposed of in any manner she may see fit.

Any young lady residing in the above mentioned territory is eligible to compete in this contest.

Anyone who desires to vote in this contest may do so by ballots cut from the Daily and Weekly Astorian, or by special vote coupons obtained by subscribing to the Astorian. The coupons secured by subscribing to the Astorian may be held as long as desired and voted at any time up to the desired close of the contest, but ballots cut from the Astorian are only good for one week from publication and will not be counted if voted after the date printed on the ballot.

Persons living in one district are not confined to voting for ladies in their own particular district, but may vote for anybody in the race.

The offer affords the girls of Astoria and surrounding territory an excellent opportunity to travel or receive a business education at the expense of the Astorian.

DISTRICTS.

The districts will be divided as follows: First district will include all the City of Astoria east of Twenty-second street; second district will include all the City of Astoria east of

Ninth street to Twenty-second; third district will include all the City of Astoria west of Ninth street to city limits; fourth district will include all the towns in and around Ilwaco and Chinook; fifth district will include the towns of Hammond, Warrenton and Seaside.

HOW THE PRIZES WILL BE DISTRIBUTED.

The automobile will be awarded to the young lady receiving the largest number of votes in the five districts. The piano the second grand prize will be awarded to the young lady receiving the second largest vote in the five districts. The trips—one in each district—the lady standing second, will receive the scholarship and the third will each receive the gold watch.

FRANK J. DONNERBERG.

Frank J. Donnerberg, who several months ago opened a handsome jewelry store at 574 Commercial street, has won a reputation that has brought him what is perhaps the best trade in the city. After 16 years' experience in the large jewelry and watchmaking stores of San Francisco and Portland. Mr. Donnerberg came to Astoria and opened a small place at 110 Eleventh street, confining himself largely to repairing watches, and carrying a small stock of jewelry and watches. His customers found him a good watchmaker and discovered they were given fair treatment and patronized him liberally, enabling him to increase his stock rapidly. Mr. Donnerberg is a broad-minded business man, and his up-to-date stock includes all the newest styles which he purchases from New York and San Francisco wholesalers, and his establishment is a credit to the city.

OUT-OF-DOOR CARD PARTY

A simple but unique morning card party may be given by the hostess who has a lawn or large porch on which to entertain her guests. Cover the tables with green cheese cloth in a pretty shade. For tally cards use leaves from the oak or maple tree, as these are good shape and do not wither easily. Gold paper stars or circles are used to keep score, and may be had at any stationer's. The prizes may be a dainty white fan with possibly a suggestion of green for first prize, and a huge palm leaf with a bow of green ribbon for the booby. The refreshments are sandwiches of lettuce, olives, nasturtium or any other delicate green filling, and iced tea served with lemon and long stalks of mint. After this, ices with mint cherries served in white paper cases, with little wire handles wrapped in green paper. On each handle fasten a white butterfly cut from paper and marked a little with water-color paint. Plain white and green iced cakes may be used, or a white cake with a touch of pistachio in the filling. Green and white peppermints may be served during the game or after the ices.—Woman's Home Companion.

Constipation, or irregularity, is very often the cause of sick-headache. Lane's Family Medicine is the great preventive and cure of headache. Druggists sell it for 25 cents.
