

HEIR TO \$10,000,000

Will Spend it to Make People Happy

MOSTLY FOR BAD PEOPLE

If a Man Needs \$500 to Compete His Happiness and Success C. W. Averill Will Give Him the \$500 he Says.

CHICAGO, June 6.—A despatch to the Tribune from Los Angeles, Cal., says:

C. W. Averill, who recently inherited \$10,000,000 from an aunt of Massachusetts, declares he is going to make two people happy.

After a visit to his old home in Farmington, Maine, he will establish headquarters in a big city, perhaps Chicago, where he says all who need help and deserve it can find it.

"I am not going to be a fool about this," he said yesterday "but if being a fool is being deceived occasionally, all right. I have succeeded in piling up a few hundred thousand by my own exertion but can never spend the income from \$10,000,000. If a man has \$500 and needs as much more to carry out his plans and make him a success and thereby happy I propose to give him his added \$500.

"Another thing, I am going to help bad people as well as good. The good people, churches and respectable folks care for them, but the bad have no one but the devil and the police.

"I want to help the intemperate, the convict, the girl who has to hang her head, the man who has made a failure of himself. Lots of us cannot resist temptation you know. I have set the number I will aid at 20,000, but if I succeed in helping them I will look for 20,000 more. I suppose my headquarters will be in New York

or Chicago because I can reach farther from either of those places than any other."

GREAT DAMAGE BY FIRE

The Gladstone Gold Mine Building Damage \$150,000.

SILVERTON, Colo., June 6.—Fire last night destroyed all of the building of the Gold Mine at Gladstone, nine miles from here, causing a loss of \$150,000, and endangering the lives of the entire neighborhood, where the men sleeping in the bunk houses, the machinery was disarranged by the fire and heat and the air fans put out of commission. All of the men were rescued, however, and the only accident occurred to Henry Sanger, who was perhaps fatally hurt, by jumping from the second-story of the bank house. The fire originated in the terminal house of the mine and is attributed to incendiarism.

TO MUCH FOR "UNCLE JOE"

By the side of a certain Illinois suburban railway stands a fertilizer factory which gives out a particularly offensive smell. A lady who frequently has occasion to travel on this line always carries with her a bottle of lavender smelling salts. One morning Speaker Cannon took the seat beside her. As the train neared the factory, the lady opened her bottle of salts. Soon the car was filled with the horrible odor of the fertilizer. The Speaker stood it as long as he could, then addressing himself to the lady, whom he saw holding the bottle to her nose, he said: "Madam, would you mind putting the cork in that bottle?"—Success Magazine.

Constipation, or irregularity, is very often the cause of sick-headache. Lane's Family Medicine is the great preventive and cure of headache. Druggists sell it for 25 cents.

CLAY AND THE SALARY GRAB

"Quinn," said an old member one day, "I heard you worrying about the mileage. Did you ever hear the story of Clay and the salary grab?"

"No, I replied.

"When Clay was Speaker," he continued, "along about 1816, the crowd raised their salaries to \$1,500 a year. There was a great howl all over the country, and when Clay reached home in Kentucky, he found old one-armed John Pope, a Federalist, out after his scalp to beat the band, and all the Clay adherents ominously silent. Worried and anxious Clay sought out his old barber, who had always been enthusiastic in his advocacy and who happened to be an Irishman. "I trust I may count on your hearty support as usual?" Clay asked. "Faith, Mr. Clay," said the Irish barber, "I think I shall vote at this time for the man who can get but one hand into the Treasury."
