Putting Astoria on the Map

Printers' Ink, the New York publication issued specifically for advertising specialists, published on page 32 in its issue of May 20th on account of the first year's work being done by the Astoria Chamber of Commerce giving a whole page to the subject and publishing a splendid half-tone cut showing the members of the Chamber grouped about the business office, wherein is piled up 12,000 envelopes. Since this article was published various members of the Pacific Coast Advertising Men's Association and the Chamber of Commerce itself have received a number of inquiries as to the details of this publicity campaign which as one prominent Washington, D. C., newspaper publisher puts it: "The fame of your good work has spread abroad and I am very anxious to know more of the way you are handling affairs in your section. Will you be good enough to send me samples of such printed matter as you care to part with and tell me more of your good work?"

The manager of one of the oldest newspapers in the south has written: "I shall appreciate it if you will give me details." As was evinced at the meeting of the Chamber of Commerce Monday night, a number of important enterprises are now under way here which not only attract attention away from home but arouse interest locally and Astoria is being put on the map so it will stick out like a sore thumb.

IDAHO NATIONAL FORESTS.

WASHINGTON, June 10.—The first step toward carrying out a comprehensive plan of redistricting the National Forests in western states has just been made by the President in signing executive orders effective July 1, establishing the Cache and Pocatello National Forests in northern Utah and southern Idaho. The object of this plan is to equalize areas of administrative units and rearrange their boundaries in such a manner as to promote the efficient administration. No actual addition to the National Forest area is involved in the plan.

The Cache forest will consist of the Logan and Idaho divisions of the Bear River National Forest, and will be administered by Supervisor Woodruff, with headquarters at Logan, Utah. The Pocatello National Forest will consist of the present Pocatello and Port Neuf National Forests, together with the Malad Division of the Bear River Forest. These areas will be administered by Supervisor Wrensted, with headquarters at Pocatello, Idaho.

Under the general plan of redistricting 18 new administrative units will be established from the existing National Forest area. The attempt is being made by the Forest Service to reduce the area of the administrative units to an average of approximately 1,000,000 acres. This will not be possible in all cases, as is shown by the fact that under the plan of redistricting there will be 144 Supervisors who will administer more than 155,000,000 acres of National Forest area.

The Best Pills Ever Sold.

"After doctoring 15 years for chronic indigestion, and spending over \$200, nothing has done me as much good as Dr. King's New Life Pills. I consider them the best pills ever sold," writes B. Y. Ayscue, of Ingleside, N. C. Sold under guarantee at Charles Rogers & Son's drug store, 25c.

FIFTH AVENUE HOTEL

For upward of forty years every President registered at the Fifth Avenue Hotel, and Abraham Lincoln went forth from its hospitable walls to Cooper Union, where he made the speech that started him on the road to the White House. General Grant's first candidacy for the Presidency was originally discussed at a dinner of the Peabody Fund trustees at the Fifth Avenue Hotel, in 1867, and he and his Cabinet once held an official session in one of its parlors. Roscoe Conkling and General William T. Sherman lived there during their last years. There James A. Garfield and Grover Cleveland held their first public receptions, and Chester A. Arthur received the first Korean Ambassadors.

But perhaps its most historic incident occurred in the Summer of 1884. The Fifth Avenue was then the stopping place of James G. Blaine. The "Plumed Knight" had been nominated for the Presidency.

It was the scene of the famous "Rum, Romanism and Rebellion" incident that cost Blaine the Presidency. Burchard, who opposed Grover Cleveland and hoped to injure him by charging him with being an advocate of the above trinity, had hurled the words at Blaine, but Blaine refused to answer them.

When the doctor is called he asks: "How are the bowels?" They are generally wrong. His visit might have been saved by a timely dose of Lane's Family Medicine.

EASY TO CURE CATARRH.

Just Breathe in Hyomei, the Dry Air That Kills the Germs.

You can do exactly what G. J. Sterers did by using Hyomei. Read this:

"After having suffering from chronic catarrh for years, for which I tried various remedies without success, I became almost discouraged. After reading about Hyomei, I decided to make one more effort to rid myself of the dread disease, and to my great delight I found the use of two bottles of the Inhalent sufficient to produce a complete cure. I now take pleasure in recommending this remedy to all sufferers from catarrh."—G. J. Sterers, Crown City, Ohio.

We don't simply say Hyomei will cure catarrh, but we say that T. F. Laurin, the druggist, guarantees it to cure catarrh, or money back. He does more—he guarantees it to cure asthma, bronchitis, hay fever, coughs and colds. A complete Hyomei outfit, including inhaler, costs only \$1.00, and extra bottles, if you afterwards need one, will cost but 50 cents. Hyomei is a pleasant dry air treatment. You just breathe it in, and as it passes over the inflamed membrane, it kills the germs of catarrh, and allays all inflammation.

What Shall We Have For Dessert?

Seven flavors:—Lemon, Orange, Raspberry, Strawberry, Chocolate, Cherry, Peach.

Cured Hemorrhages of the Lungs.

"Several years since my lungs were so badly affected that I had many hemorrhages," writes A. M. Ake, of Wood, Ind. "I took treatment with several physicians without any benefit. I then started to take Foley's Honey and Tar, and my lungs are now as sound as a bullet. I recommend it in advanced stages of lung trouble." Foley's Honey and Tar stop the cough and heals the lungs, and prevents serious results from a cold. Refuse substitutes.

This woman says that sick women should not fail to try Lydia E. Pinkham's Vegetable Compound as she did.

Mrs. A. Gregory, of 2355 Lawrence St., Denver, Col., writes to Mrs. Pinkham:

"I was practically an invalid for six years, on account of female troubles. I underwent an operation by the doctor's advice, but in a few months I was worse than before. A friend advised Lydia E. Pinkham's Vegetable Compound and it restored me to perfect health, such as I have not enjoyed in many years. Any woman suffering as I did with backache, bearing-down pains, and periodic pains, should not fail to use Lydia E. Pinkham's Vegetable Compound."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness or nervous prostration. Why don't you try it?

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.
