

The Daily Market Report

PORTLAND, Aug. 13.—Reports from Eastern Oregon indicate that the rainfall in that part of the state yesterday, and in Idaho as well, was a good deal heavier than in the Willamette Valley, and the farmers there, especially the potato growers, are jubilant over the crop prospect. It is believed that the rain came too late to make a full crop of early spuds, but there is now practical assurance of at least an average yield of the late planting, both east and west of the Cascades. As the rain came a few weeks earlier the early crop of potatoes in the valley would have made a much better showing than they do now. The hot dry weather retarded growth and in a general way hastened the ripening of the tubers before they had attained good size. In some localities where the soil is of a character conserve moisture the crop is in fair condition and there the rain has done much good. In other sections the ripening process had gone too far for the rain to have any material effect. It is believed that the early spud crop will be far enough along two or three weeks hence for shipment to Alaska.

While the effect of the rain was good so far as fruit and vegetable crops generally are concerned, it worked a little harm in the hay fields of Eastern Oregon, where the gathering of this crop is now in active progress, but the damage done was of small consequence.

Chronic Diarrhoea Relieved.

Mr. Edward E. Henry, with the United States Express Co., Chicago, writes:

"Our General Superintendent, Mr. Quick, handed me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy some time ago to check an attack of the old chronic diarrhoea. I have used it since that time and cured many on our trains who have been sick. I am an old soldier who served with Rutherford B. Hayes and William McKinley four years in the 23rd Ohio Regiment, and have no ailment except chronic diarrhoea, which this remedy stops at once." For sale by Frank Hart and leading druggists.

A Faithful Friend.

"I have used Chamberlain's colic, Cholera and Diarrhoea Remedy since it was first introduced to the public in 1872, and have never found one instance where a cure was not speedily effected by its use. I have been a commercial traveler for eighteen years, and never start out on a trip without this, my faithful friend," says H. S. Nichols of Oakland, Ind. Ter. When a man has used a remedy for thirty-five years he knows its value and is competent to speak of it. For sale by Frank Hart, druggist.

What is Best for Indigestion?

Mr. A. Robinson, of Drumquin, Ontario, has been troubled for years with indigestion, and recommends Chamberlain's Stomach and Liver Tablets as "the best medicine I ever used." If troubled with indigestion or constipation give them a trial. They are certain to prove beneficial. They are easy to take and pleasant in effect. Price 25 cents. Samples free at Frank Hart's Drug Store and leading druggists.

Diarrhoea Cured.

"My father has for years been troubled with diarrhoea, and tried every means possible to effect a cure, without avail," writes John H. Zirkle of Philippi, W. Va. He saw Chamberlain's Colic, Cholera and Diarrhoea Remedy advertised in the Philippi Republican and decided to try it. The result is one bottle cured him and he has not suffered with the disease for eighteen months. Before taking this remedy he was a constant sufferer. He is now sound and well, and although sixty years old, can do as much work as a young man. Sold by Frank Hart and leading druggists.
