

The Daily Market Report

PORTLAND, Sept. 1.—Peach receipts today were the heaviest of the season thus far, according to the Board of Trade, which reports the arrivals for the day as approximately five carloads. There was evidence on the street today of a slight weakening in the market, but the demand for peaches continues strong and with active prices were well maintained. The best Ashland, Dalles, Deschutes and Roseburg fruit is sold at 60c to 85c a box. The supply promises to be heavy all the week and perhaps next week as well.

"In the Wilsonville, Butteville, Champoeg, Hubbard, Woodburn, Sherwood and Middleton districts there is practically no trace of mold on the hops thus far this year," said Frank S. Johnson, of the J. W. Seavey Hop Company, today. "I have not in years seen the hops in these localities so free of mold as they are just now, and barring unfavorable weather conditions between this time and the end of the picking season, the chances are for an unusually fine grade of hops in most of the yards."
