

The Daily Market Report

PORLAND, Oct. 1.—Poultry moved slowly today and prices were generally a cent under those of yesterday. Even at the low quotations some dealers found it impossible to clean up their stocks, and the outlook now is for a weak market for some time to come. Receipts today were 136 coops, for the most part hens and chickens, but with a few ducks and turkeys. Ducks were unchanged, but turkeys were weak at 17 to 18 cents a pound. There were no changes in the egg market. Receipts were 176 cases.

Country dressed meats were steady today at the prices that have ruled for a week or more. The best in both lines moved at 8¢ cents a pound. As usual a good part of the veal coming in is large and coarse and 6 to 7 cents a pound is the best that dealers can get for some of it. Receipts today were 71 hogs and 104 calves.

HASKELL TO MAKE FIGHT.

GUTHRIE, Okla., Oct. 1.—Gov. Haskell has made public appeal to the people of Oklahoma for money to aid him in overcoming his enemies whom he declares are the enemies of the people. Gov. Haskell's appeal says:

"As for myself, I am not possessed of wealth and receive a salary but barely enough for the expense of my family and myself. I am giving my entire time to the welfare of Oklahoma. I can make the fight against all these interests and win with the support of the people. I not only want the moral but also some financial assistance of the people of Oklahoma. Postage, paper, labor and other items of expense can only be incurred when I have the means to meet them. I am standing firmly for honest government and against graft, greed and corporate oppression. I ask assistance, not in large amounts because a few thousand dollars will be a start for the fight but I ask that the multitude weigh this matter and render such financial assistance as they deem proper."

EARNINGS ON FREIGHT.

SAN FRANCISCO, Oct. 1.—The division of earnings between trans-continental railroads and steamship companies on freight from the Orient has been made known through receipt of advance copies of a new schedule arranged by the Interstate Commerce Commission which will be enforced November 1. Under the new rates the railroads will earn in some instances as much as heretofore and in others about 75 per cent as much. It is estimated that the steamship companies will be obliged to carry at a loss or take action leading to an increase of the through rates. Officials engaged in the direction of trans-Pacific traffic believe that imperishable matter may be diverted from the prevailing routes and sent to New York in foreign bottoms by way of Suez.

CANDIDATE INDICTED.

CHICAGO, Oct. 1.—Dr. Charles McCormick, an independent candidate for congress in the first district (Chicago) was indicted yesterday for criminal libel on complaint of Fred A. Busse, mayor of this city.

Dr. McCormick is accused of having published a pamphlet attacking the mayor. What is alleged to be an excerpt from the pamphlet is quoted in the indictment as follows:

President Roosevelt should know that Mayor Fred A. Busse high priest and chief worker of the republican party, is a moral leper."

By this and other statements printed in the pamphlet it is alleged in the indictment that Dr. McCormick "willingly and feloniously did intend to impeach the integrity, honesty, virtue and reputation" of Chicago's chief executive.

HELD LARGE DRAFT.

NEW YORK, Oct. 1.—Holding a draft for \$900,000 which appeared to be genuine, a man who spoke no English whatever, entered the office of Surrogate Daniel Noble in Jamaica, Long Island, yesterday. He intimated by signs that he wished to cash the draft. The draft was drawn by the Bank of South Africa in Capetown upon the Bank of Montreal.

Adolph Mortise, the man who held the draft, was taken to the wholesale liquor store of Joseph Kaiser, who was in the Boer War.

Kaiser was able to communicate with him sufficiently to advise him to go home as it was after banking hours and to deposit the draft in a bank to-day. Mortise seems grateful for Kaiser's advice and pinned the draft to the inside of his hunting shirt.

FIFTY YEARS A BLACKSMITH.

DEATH BEFORE ARREST.

SAN FRANCISCO, Oct. 1.—Five minutes after August Veen, the 22 year old son of the secretary of the Wren Brewing Company, had killed himself with a revolver in the home of his parents on Cole Street last night a policeman arrived at the house with a warrant for the young man's arrest. According to the complaint of Lester Brown, a chauffeur, young Veen had been hiring an automobile and had become indebted to the extent of \$160, which he was unable to pay.

More Than Enough Is Too Much.

To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again.

For sale by Frank Hart and leading druggists.

A BROKEN PROMISE.

WINFIELD, Kas., Oct. 1.—Mrs. Sarah Reilly, a widow of an Atlantan near here, was arrested to-day charged with obtaining money and property from Louis G. Thomas, a wealthy merchant of Douglas, Alaska, under false pretenses. According to Thomas' story the woman got \$3000 from him in cash and presents on her promise to marry him.

SERIOUS DISASTER.

SMYRNA, Sept. 30.—A Turkish steamship ran down the steam ferry boat Stambuli outside the harbor to-day. One hundred and forty persons were drowned.
