According to information tonight Bulgaria will welcome war as the Bulgarians are convinced that their army could march straight to Constantinople before the Turkish forces could be mobilized.

DANIELS WANTS STATEMENT ON TRUSTS

Says Bonaparte Did Not Give Information Wanted

Daniels submits to the attorney general the four questions as follows:

- 1—How many of the 287 trusts, giving names, are doing business in the United States, have been prosecuted by the present administration?
- 2—How many of those trusts, naming them separately, have been fined and the separate amounts?
- 3—After a trust has been fined, what other steps have been taken to prevent its continuing illegal practices for which it was forced to pay the penalty?
- 4—How many officials of these 287 trusts have been criminally prosecuted and how many have been convicted and terms of imprisonment, giving names of each person who has been imprisoned for violating the law?

GETS LIFE SENTENCE

After Hearing of an Hour and a Half Negro Gets Maximum Punishment

SEVERAL HURT IN THE RIOT

Crowd Was Frantic to Get Martin and Fight Officers Who Finally Restore Order After Using Their Clubs Freely—No Arrests Made.

LOS ANGELES, Oct. 5.—Following a scene of riotous disorder today, in which several persons were slightly injured in an attempt to take him from the police and lynch him, Edward Martin, the negro who last Friday night assaulted Miss Edith Ralston, a concert singer, at Colegrove, was spirited to the courtroom of Superior Judge Curtis D. Wilbur, where he pleaded guilty and was sentenced to the maximum punishment—life imprisonment. He will be taken to Folsom penitentiary tomorrow night.

Less than an hour and a half elapsed between the time that the negro was brought into court for his preliminary hearing and the time that Judge Wilbur pronounced the penalty of life imprisonment. Martin is said to be a deserter from the Navy. The riotous demonstration occurred this morning in Justice H. C. Austin's courtroom, immediately after Martin had been held to the Superior Court.

Justice Austin had been warned that serious trouble might occur when the negro was brought into court, and requested that a sufficient police force be assigned to maintain order. Fourteen patrolmen were detailed. Martin was brought in handcuffed to Patrolman Stevens, a colored officer. A large crowd completely packed the small courtroom and filled the corridors outside. The hearing was brief and after Miss Ralston had related the circumstances of the attack and positively identified Martin, the court ordered him bound over to the Superior Court under \$5000 bail.

As Officer Stevens was taking Martin through a rear door to return him
