THE ACT OF DYING.

Easy Matter. The mere ultimate process of dying may be a relatively easy matter. Any person who has been long ill probably suffers more on any given day of his Raisins-Loose muscatels, 3-crown, life than he will suffer in the act of cents; 4-crown, 7ac; bleached, departing from his body. HIS THREE WIVES.

They Were All in One Picture, but Did Not Stay There.

Allan Cunningham in his "Lives of British Painters" tells a story of Cop-ley, the father of Lord Chancellor Lyndburst, which reveals what a portrait painter endures from the vanity and eccentricity of his sitters,

A certain man had himself, his wife and seven children painted by Copley

wife. This one is my second.

"But," replied the artist, "she is dead. What can I do? She must come in as an angel."

"Oh, no; no angels for me. She must come in as a woman." The portrait was added, but several months elapsed before the man again

called at Copley's studio, and when he did a strange lady beld on to his arm.
"I must have another sketch from your hand, Copley," said he. "An accident befell my second wife. This lady is my third, and she has come to have her likeness included in the fami-

The painter introduced the likeness of wife No. 3, and the man expressed himself satisfied with the pottraits of his three spouses. But the lady remonstrated. Never was such a thing beard of. Her predecessors must go, The artist painted them out. Then the man disputed the price. Copley sued him, and his son, the future Lord Lyndhurst, signalized his call to the bar by gaining his father's cause.

No Limit.

Gunner-She's a very progressive field of journalism and start a paper. Guyer-Yes, and she is going to call it the Rumor. Don't you think that is rather an unusual name?

Gunner-Not at all. When a rumor is started by a woman it always gains a wonderful circulation. - Chicago

The Collies and Amen.

I once witnessed a phase of prompt evolution of practical and of devotionat religion in Scotch sheep dogs on a communion Sabbath among the mountains. The churchyard was crowded with shepherds, accompanied by their dogs, which lay quietly asleep at the feet of their masters. The sermon was finished, the psalm had been sung, the final prayer was being offered, and there was no sign of impatience, but the moment the benediction commenced the devotional doggies all roused themselves, and before the "Amen" they were to marebing order.-"Newman Hall-An Autobiography."

Good For Biliousness.

"I took two of Chamberlain's Stomach and Liver Tablets last night, and I feel 50 per cent better than I have for weeks, says J. J. Firestone, of Allegan, Mich. "They are certainly a fine article for biliousness." For sale by Frank Hart and leading druggists.
