Judge Speaks at Fourteen and the Governor at Fifteen Gatherings.

BIG PARADE IN DOWNPOUR

Republican Meeting at Madison Square Garden is Remarkable in Many Ways—Demonstration of 19 Minutes Greeted Judge Taft.

MADISON SQUARE GARDEN, New York, Oct. 28.—Judge Taft and Governor Hughes were the attractions at the great Republican meeting at the Madison Square Garden tonight. The meeting was remarkable in many respects. At every mention of Hughes' name the hall resounded with the cheering and when he entered the hall the crowd, which filled every available space in the Auditorium, cheered him for sixteen minutes. Hughes made a characteristic address which was received enthusiastically. It remained for Taft to inspire the greatest demonstration. For 19 minutes the garden trembled with stamping feet and roar of voices. Taft tried to quell the racket but was powerless to do so. When the noise ceased, Taft began his address. His voice was hoarse but the crowd was satisfied merely to look at him and his every word was cheered. The appearance of Taft and Hughes at the Garden came at the end of a remarkable day. During the day Taft addressed 14 meetings and Hughes spoke at 15. Then tonight while the Madison Square meeting was in progress, a giant parade was wending its way in a downpour of rain through the heart of the city. Hours before the meeting long lines of ticket holders formed and at 8 o'clock the police had to bar all but reserve seat holders.

Armed Men With Sawed-Off Shotguns Patrolled South Bound Express Last Saturday But the Hold Up Does Not Materialize.

SACRAMENTO, Cal., Oct. 28.—

It became known today that every express train from Oregon to California since last Saturday night has been guarded by an extra corps of railroad police and Wells Fargo guards, armed with sawed-off shotguns.

Although the information has been carefully guarded by the officials of the Southern Pacific railroad warning was received last Saturday in private dispatches from Red Bluff that an attempt would be made to hold up No. 14, the Oregon Express north-bound, at a point near Ager, in Siskiyou county, just south of the Oregon line. The railroad officials acted on the warning and stationed extra guards on the train. Special Agent Horgan distributed the armed men on the train and was prepared for an attack, but nothing developed.

It is not known whether the information was false or not, but it is intimated by the railroad people that guards have been on trains every night since then.

Two Women Chained Themselves to Iron Grilling But Are Finally Forced Loose And Ejected Despite Their Stubborn Resistance.

LONDON, Oct. 28.—Suffragette disturbances have driven the police to the unusual course of temporarily closing the strangers and ladies' galleries in the house of commons.

During the evening while the house was discussing the licensing bill, a sensation was caused by the display of a placard and sudden cries from the ladies' gallery demanding suffrage. Simultaneously a bundle of hand bills fluttered down from the strangers' gallery and a man shouted, "Justice to women." The male offender was unceremoniously ejected but from the ladies' gallery sounds of a desperate struggle were heard. Two suffragettes had chained themselves firmly to the grilling and resisted for a time all efforts at removal. The scene was watched with amusement from the floor, but finally the suffragettes were dragged loose, portions of the grill being removed with them. Ten minutes later there was another dramatic scene, a man in the strangers' gallery threw another bundle of bills down upon the house shouting "Why don't you give women votes and relieve the unemployed?" Attendants rushed upon him, but it required a fierce struggle to eject him. About the same time a large crowd of suffragettes made a demonstration outside the parliament building and 15 were arrested.
