### THEODORE'S TRAVELSON DARK CONTINENT

WILL LEAVE NEW YORK NINE DAYS AFTER HIS SUCCESSOR IS INAUGURATED

### KERMIT THE KODAK MAN

His Tour to be the Center of the World-Wide Interest—The Smithsonian Institute Will Send a Professor Along.

NEW YORK, Nov. 3.—The Times today says:

From an excellent authority the Times learned yesterday that President Roosevelt plans to leave New York March 3, nine days after the inauguration, by the North German Lloyd liner Koenig Albert for Naples, where the liner is due on March 25.

Besides his son Kermit, who will take photographs of the big game in Africa, he will be accompanied by a professor from the Smithsonian Institute and an official from the Navy Department.

From Naples Mr. Roosevelt and his party will travel on one of the German East Africa steamers to Bombay via the Suez Canal and Aden, a sea journey of 17 days including stops.

So far no arrangements have been made for the six months the party will spend in Uganda province, between the coast and Port Florence, a distance of 504 miles. On Lake Victoria the party will embark for Entebbe, in Central Africa. One thing is certain, Mr. Roosevelt will not enter the Congo territory. President Roosevelt has received an invitation from Mr. McMillan, nephew of the late Senator James McMillan of Detroit, who owns 50,000 acres of forest, mountain jungle etc., in the Nairobi district of Uganda to shoot over his estates and use the comfortable shooting boxes that have been erected in various sections where big game is found.

### KID CRIMINALS.

OAKLAND, Nov. 2.—The police of Oakland are confronted by evidence of a sweeping epidemic of crime among the boys of that city. Records for several years were broken yesterday when the city prison was found to contain 19 young men between the ages of 15 and 21 years, all accused of some degree of theft. None of the boys has been booked and the police will not disclose the names of many until a decision as to their cases has been reached. Three of the boys are charged with burglarizing an office in Point Richmond and stealing a typewriter. Another trio must answer for the theft of a gold watch.

### ONLY ALTERNATIVE.

NEW YORK, Nov. 3.—Attacked by a mob of small boys soon after he had landed last night from Blackwell's Island, where he is employed, Harry Roche unable to defend himself or to make a policeman hear his cries for help, struggled to a fire alarm box and turned in an alarm. He soon had all the help he wanted, for in response to the alarm engines, two trucks, and a patrol wagon dashed up to the scene, bringing 45 firemen and a dozen policemen. By this time the boys had made good their escape, and Roche was locked up, charged with turning in a false alarm. His message for assistance cost the city \$66.

### FATAL ELECTION BRAWL.

LEXINGTON, Ky., Nov. 3.—As the result of a feudal war at Camp Junction, about 20 miles west of Jackson, Islow Allen, aged 20, was shot and killed last night; Alvin Graves, aged 22, was badly injured; Clarence Spittman who did the shooting, was shot in the head but managed to escape to the mountains. Eight barrels of whiskey shipped into town for the election brought on the trouble.

The contract, it is said, will give immediate work to at least 1000 more men and will keep the plant running for twenty months.

### MILD RESULTS.

### SLIPPERY ENGLISHMAN.

SAN FRANCISCO, Nov. 3.—Watched by detectives who awaited an order for his arrest from Sydney, Australia, and by watchmen who guarded the British steamer Lord Sefton, Harry Johnson, who is believed to be a member of a noble English family, escaped last evening from the vessel and is now sought by the police. Johnson is supposed to be Forsyth Jewell, wanted by the Sydney police in connection with the theft of a quantity of jewelry and lace from warehouses. He was second steward aboard the vessel and denied his identity. The police awaited a cable from Sydney ordering the arrest, but it failed to arrive. By leaving the vessel Johnson subjects the owners to a fine of \$1000 as he is afflicted with trachoma and would have been denied a landing.

### CAUGHT THE ROBBER.

A Passing Automobile Is Pressed Into Service For Chase.

NEW YORK, Nov. 3.—After an exciting pursuit in which a passing automobile pressed into service, played an important part, a well dressed highwayman who attacked Mrs. Robert Lissauer, wife of one of the firm of jewelers on the street, and robbed her of a gold chataleine bag, was captured yesterday on a platform of the Third Avenue railway. The robber seized the woman from behind as she was walking along Madison Avenue, and, not succeeding as easily as he thought he would in wresting from her a gold chataleine bag she held, he hit her a blow between the eyes, felling her to the sidewalk. Her screams attracted the attention of the chauffeur of a passing automobile, who set out at once in pursuit of the disappearing robber and succeeded with the assistance of a policeman, picked up en route, in capturing the fugitive.

### OFFICES KEPT OPEN.

The London markets opens five hours before the New York market is ready for business and it is principally to allow their customers to take advantage of this and make trades on the London exchange that the offices are held open.

The news ticker will also work all night that the brokers offices as well as other subscribers may have the results of the elections in various states as soon as they are given out.

### GIVES BIG BOND.

SAN FRANCISCO, Nov. 3.—It is said arrangements have been made by the National Surety Company to file a bail bond of \$100,000 in order to secure the release of Walter J. Barnett, former vice-president of the California Safe Deposit & Trust Co., who was recently convicted of hypothecating securities of the

wrecked institution. The bond it is expected, will be filed some time this week. A peculiar feature of the affair is that the men willing to furnish the money for Barnett's temporary release from prison are said to be well known New York financiers who have been interested in his case since his conviction.

MILWAUKEE, Wis., Nov. 3.—When State Democratic Chairman H. H.
