

Needs no breaking in

Yesterday we fitted a customer in one of our new Red Cross models. As she left she said, "Wrap up my old ones. I'll wear these instead."

The Red Cross Shoe is comfortable the moment you put it on!

Its sole, made of specially tanned leather, is flexible. It doesn't bind, cramp or "draw" the foot. It fits like a glove and bends with your foot, just as your glove moves with your hand. This fall

Get Style and Comfort Get Both

Come in and try on the Red Cross. Know for yourself what means to the thousands of women who wear it, who would not be induced to go back to stiff shoes.

Slip your foot into the Red Cross, that's the only way you will ever realize what a wonderful difference it does make! You wouldn't believe a shoe could be so comfortable.

We have it in all styles—High Shoes, \$4 and \$5; Oxfords, \$3.50 and \$4.

TO SAVE CANADA FOR THE EMPIRE

LORD MILNER MAKES AN IMPRESSIVE APPEAL FOR IMPERIALISM

IS THE ONE GREAT ISSUE

The Next Few Years Are Going To Determine Whether Canada Will Remain A Part Of The British Empire," Titled Visitor Says.

MONTREAL, Nov. 5.—Lord Milner made the last speech he will make in Canada during his present stay in the Dominion, to the Canadian club yesterday. It was, he said, an appeal to imperialism of the higher type. He said in part: "There is one remark that I have often heard from Canadians, not from Englishmen, and that is that the public life in Canada is unattractive because there are no big issues. That seems to me to be an extraordinary point of view. No big issues! The next few years are going to determine whether Canada will remain a part of the British empire. The decision of that question rests with Canadians alone. No external compulsion could be, certainly none ever would be exercised to influence it. It rests with them alone—the decision of that question, and with that question perhaps the decision of the fate of the empire as a whole. Even in its badly organized condition the empire was the greatest political entity in the world; properly organized it would be the greatest power."

"It lies with all parts of the empire and especially with the people of the younger dominions to decide whether it shall be capable of discharging its great mission in the world."

CANNON BOOMS.

DANVILLE, Ill., Nov. 5.—Late last night, a large crowd gathered in front to the home of Speaker Cannon and vociferously demanded a speech. The speaker made a short address. In an interview immediately afterward he said: "I am more than gratified at the Republican success. I believe that with the election of Taft and a Republican Congress there will be a complete restoration of confidence. The Republican party begins again clothed with power to keep the pledge of its platform. While we will revise the tariff beginning immediately after the inauguration of Taft the revision will not halt the production as everybody well understands that full protection will be given to the employer and the employee sufficiently in degree to maintain the present wages of the employees and with reasonable profit to the employers. I look confidently to a further increase in production in the United States, which, of course, means full employment and increased consumption."

Colds and Croup in Children. "My little girl is subject to colds," says Mrs. Wm. H. Serig, No. 41 Fifth St., Wheeling, W. Va. "Last winter she had a severe spell and a terrible cough but I cured her with Chamberlain's Cough Remedy without the aid of a doctor, and my little boy has been prevented many times from having the croup by the timely use of this syrup." This remedy is for sale by Frank Hart and leading druggists.

CUTTING DOWN RATES.

LITTLE ROCK, Ark., Nov. 5.—The state railroad commission on advice of the attorney general yesterday voted to issue an order to the railroads against their charging three cents passenger rate. All the railroads are now charging this rate and heavy penalty suits will follow.

How to Treat a Sprain.

Sprains, swellings and lameness are promptly relieved by Chamberlain's Pain Balm. This liniment reduces inflammation and soreness so that a sprain may be cured in about one-third the time required by the usual treatment. For sale by Frank Hart and leading druggists.
