**OCEAN, BAR,
BAY, DOCK
AND RIVER**

The O. R. & N. Company has made a new schedule for the Hassalo, which the Potter will observe until she is relieved by the Hassalo, on the Portland-Astoria run. Beginning on Saturday night next, tomorrow, instead of leaving Portland at 10 o'clock p. m. as heretofore, the steamers will leave down on Sunday evenings at 8 o'clock, so that these liners will not lie over in this port any more of a Sunday. The recent experience of the Hassalo in these waters and the fact that during the winter season she is liable to chafe and break her rails and light wood-work at the big docks, has moved her owners to put this new rule in force for the winter months only.

The big steamship Nicomedia is still at anchor in the city channel. She went below yesterday morning, in the hope of getting to sea, but with her huge cargo, and her stern-draft of 24 feet, she abandoned the venture and remained snug in port.

The oil tank steamship Santa Maria came down the river yesterday morning, but it is not known that she crossed out for San Francisco. There are not many ships passing outward these last few days.

No news has been received from the launch Rose which left here for Yaquina Bay last Saturday, but the hope is abroad that she made it into Tillamook or Coos and is lying low for better weather.

Th Lurline made her round trip in fair season last evening and went up stream last night with a good lot of business, in freight and passengers.

The French ship David D'Angers has arrived in port, and is waiting a tow to the metropolis, and will probably get it today.

The steamship Breakwater arrived down yesterday morning and is with the bar bounds in the lower harbor at last accounts.

ST. MARY'S FAIR.

Auspicious Opening Yesterday and the Program Arranged For Today.

St. Mary's Fair opened last night amid great eclat. Throughout the evening the Dunbar store was the thorough with the crowds that had come to assist the worthy cause. The booths artistically decorated were laden down with useful and fancy articles that drew forth many "Ohs!" and "Ahs!" from the discriminating feminine contingent.

The following program, consisting of Irish selections was rendered in a manner that charmed the large audience. The performers were forced to respond to enthusiastic encores:

Sunday in Henry E. Dixey's great success, "Facing the Music," which is being produced under the management of H. H. Frazee of The Knight for a Day, The Isle of Spice, and a Royal Chef, fame.

"Facing the Music" has just completed two most successful engagements in New York and Chicago, where it was pronounced by both press and public, as being the best comedy of the year.

The engagement here is limited to one night and the sale of seats will begin Saturday.

CHOLERA CONTROLLED.

MANILA, Nov. 5.—The cholera situation in this city appears to be well under control as a result of the campaign carried on by the health department. The number of new cases reported daily is now reduced to an average of 2.

JAPANESE ENTERTAIN.

TOKIO, Nov. 5.—The various Japanese associations, interested in foreign trade tonight gave a banquet in this city in honor of the Representatives of the Pacific Coast Business interests now visiting in this country. The function was attended by fully 200 business men and in the speeches delivered there was a frank and free interchange of views and ideas, the general tone taken by the speakers being such as to clearly prove that all apprehension as to the possibility of a clash of commercial interests between the two countries is entirely unfounded.

"DIAMOND QUEEN."

Noted Chicago Woman Gives Away Fortune And Disappears.

CHICAGO, Nov. 5.—Failure to fulfill a subscription promise of \$10,000 made six years ago to the Berceher Memorial Society of New York, brought to light yesterday the mysterious disappearance of Mrs. Cecil Whipple Wallace once famous as the "Diamond Queen" of Chicago.

The fact that nothing has been heard of Mrs. Wallace for six years was made known by Dr. N. D. Hillis, pastor of Plymouth Church, New York, and former pastor of Central church, Chicago in a report upon finances at a meeting of the members of the Society Tuesday. Dr. Hill said the "Diamond Queen" disappeared the night following her gift to the society.

Mrs. Wallace enjoyed a spectacular career in Chicago during the World's Fair period in 1892. She was the wife of "Judge" Wallace, reputed to very wealthy.

Dr. Gunsaulus declared that she had given property to the value of \$45,000 to Central Church before the dissipation of her fortune.

ROORBACK TALK.

NEW YORK, Nov. 5.—Charles F. Murphy, leader of Tammany Hall in a statement made last night said:

"I confess very great disappointment on the result of the election with regard to both Mr. Bryan and Mr. Chanler. Every indication before the election convinced me that Mr. Brysn would prove a much mors popular candidate than he seems to have been when judged by the vote at the polls.

"Governor Hughes can find but little comfort and no endorsement of his policies in the result. There can be no question that with the same elements in opposition in any other year than that of a presidential campaign and with political conditions normal he would have been buried under an adverse vote of at least 100,000."

IMMEDIATE RELIEF

From Coughs, Colds, Sore Throats and Hoarseness, by Using Hyomei

When you catch cold you want to get rid of it as quickly as you can. You don't want to lie around the house for a week swallowing nauseating drugs. You know when you do this that you are not only making your own life miserable, but are a nuisance to everyone about you.

Why not avoid all this; why not relieve your cold in five minutes; why not cure it over night? You can do it by using Hyomei, the sure and guaranteed cure for Colds, Coughs, Sore Throat, Catarrh, Bronchitis and Asthma.

Hyomei is medicated and antiseptic air; you breathe it into the lungs through a small pocket inhaler, and its soothing influences as it passes over the inflamed membrane of the respiratory tract, stops the mucous discharge, allays the inflammation, and the cold is cured. A complete Hyomei outfit costs \$1.00, and T. F. Laurin will refund your money if it fails to cure.

T. E. PALMA DIES.

SANTIAGO, Cuba, Nov. 5.—Tomas Estrada Palma, first president of the Cuban republic, died tonight.

Sick Headache.

This distressing disease results from a disordered condition of the stomach, and can be cured by taking Chamberlain's Stomach and Liver Tablets. Get a free sample at Frank Hart and leading druggists, and try it.
